

The Top Ten at Region 10!

Each month, we will highlight Ten Great Things Happening in our Learning Community. We know there are so many, many more great things going on in our schools, every day, and here are some highlights! If you have an idea, questions or a picture for an upcoming edition, please email me at thompsonf@region10ct.org

Superintendent's Corner:

We are falling back into Autumn and Region 10 is making it happen!
Our classrooms are filled with learning from and with each other and the opportunity to share our good with our entire community is what we are all about!
From Tavern Day to The Harwinton Fair, plays, sports and community service projects, our schools are so grateful to be part of a community spirit that celebrates so many good things!
Here's to another great month of learning, friendships, and memories. - Fran

The Good News about the Good Stuff!
