

BECOME A UD ENGINEER FOR A DAY

EXPLORE ENGINEERING

EXPLORE ENGINEERING SCHEDULE

11 a.m. - Optional Campus Tour

Noon - Lunch on Your Own

1-5 p.m. - Explore Engineering Event

- Free event open to high school seniors and juniors.
- Participate in hands-on engineering labs.
- Meet our leadership, faculty and current students.

WEP/MEP CONNECT SCHEDULE

**Hosted by the Women Engineering Program (WEP)
and Multi-Ethnic Engineers Program (MEP)**

11 a.m. - Optional Campus Tour

Noon - WEP/MEP Connect

- Grab lunch on campus or bring your own.
- Engage with students in the programs to hear how they're making connections, finding community and getting involved in the School of Engineering and beyond.
- Open to any and all Explore Engineering participants and their families.

1-5 p.m. - Explore Engineering Event

FAMILIES

Explore Engineering is for you, too.

Family participation is welcome during the event, including activities to visit our labs, hear from the dean and department representatives, learn about admission to UD, discover our Engineering Co-op and Internship Office and connect with students in our Diversity in Engineering Center (Women Engineering Program and Multi-Ethnic Engineers Program).

*Your students are invited to
attend these **FREE** events*

SATURDAY, NOV. 15

Can't make it?

SCHEDULE A PERSONAL VISIT.

If you are unable to attend Explore Engineering on Nov. 15, schedule a personal visit at go.udayton.edu/engineering-visit or call us at 937-229-5082.

CONTACT
