

# EVERY GIFT TELLS A STORY

25-26 THE  
WEDS  
FUND

## Every Day at West End Day School Begins With a Story

A child walks through our doors—perhaps hesitant, perhaps hopeful—and is met by a team that *already believes in them*. Here, children who once doubted themselves begin to feel strong, capable, and proud of who they are. Hesitation turns into confidence and—in an environment that champions them—moments of struggle shift into moments of resilience and possibility.

These are the experiences that shape a child's story.

## Your Gift Is Part of the Story

The WEDS Fund makes these moments possible. Tuition alone cannot sustain the depth of academic, counseling, and social-emotional support that defines a WEDS education. Your generosity bridges the gap—ensuring that every child is seen, understood, and given the tools to grow.

# WRITE THE NEXT CHAPTER WITH US

At WEDS, each child's story is still unfolding. With your support, we can make sure these stories continue to be ones of growth, courage, and possibility.

## Join us...

## Why Your Gift Matters

When you give to the WEDS Fund, you:

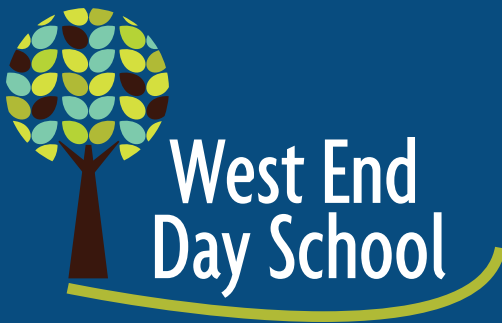

- **Empower learning** by fueling innovation in the classroom, helping children who once felt unsure become proud, capable, and excited about their progress.
- **Nurture resilience** through WEDS' compassionate counseling program, guiding students to replace negative self-talk with confidence, courage, and lasting coping skills.
- **Strengthen families** by sustaining our one-of-a-kind parent partnership model, so that children feel supported at home and at school.

Together, these investments change lives—not only for our students, but for parents, siblings, and families who gain strength, hope, and a renewed sense of possibility.

## Be part of the story.

## Maximize Your Impact

**Double your gift:** Many employers match charitable contributions, which means your generosity can go twice as far.

**Give over time:** Setting up a monthly or quarterly recurring gift is an easy way to increase your impact while spreading your support throughout the year.

Every contribution, in every form, strengthens the story we are writing together for WEDS students and families. Contact our Advancement team to discuss how you can make the greatest impact.
