***Category A: Administrative Record**

This category includes official administrative records which constitute the minimum personal data required for the operation of the educational system. It contains identifying information such as a parents' names and addresses and student directory information.

****Category B: Instructional Record**

This category includes accurate, unambiguous and verified information, clearly important for the formulation of educational programs for all students but not absolutely necessary to the school over an indefinite period of time. The records in Category B include (1) the Educational Record and (2) Health Record.

*****Category C: Classified Record**

This category includes verified information necessary for the formulation of individualized educational plans designed to meet the unique needs of selected students. Classified records are comprised of the Special Services Record and the Planning and Placement Team Record.
