SCHOOL SITE COUNCIL PARENT/GUARDIAN NOMINATIONS

Would you be interested in serving on the Hilltop Middle School Site Council as a parent representative? To nominate yourself, you must submit your name via the google form by **Friday, August 15, 2025**.

School Site Council is composed of equal numbers of staff and student/parent representatives who serve a two-year term. They meet during the school year to oversee the implementation of various programs in the school, including state and federally-funded programs. The School Site Council is a governing body that is responsible for deciding how to spend some categorical monies to improve the instructional program here at Hilltop Middle School. Each school in the district receives a different amount of money, based on enrollment. The School Site Council members work together, to set goals, for improving student achievement at the school and allocate funds to accomplish those goals.

For this school year, we have one parent opening.
