Summer 2025

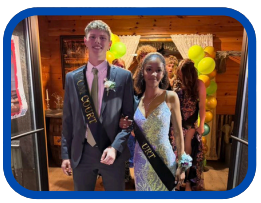

PAW PRINTS

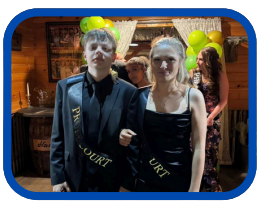

Congratulations Class of 2025

Superintendent's Message

Dear Wildcat Community,

As we wrap up the 2024–2025 school year, I want to extend my heartfelt thanks to each member of our Wildcat family. This year has been filled with growth, learning, and moments that remind us why we do what we do. It has been an honor to witness the energy, creativity, and resilience of our students, staff, and families.

We began this school year with clear goals focused on student achievement, well-being, and strengthening our school community. I am proud to say that we've made meaningful progress in all of these areas:

- **Academic and Program Growth:** This year, our students achieved remarkable success across academic and enrichment programs. From STEM Wars winners to FFA students earning recognition at the state level, and several of our seniors being honored as Rotary Club Students of the Month, we are proud of the well-rounded excellence displayed across grade levels.

  Our teachers continued to innovate in the classroom, offering engaging instruction, individualized support, and hands-on learning opportunities that helped every student grow from our youngest Wildcats in PreK to our graduating seniors.

- **Capital Project Development:** One of the most exciting milestones this year is the launch of our capital project. After extensive planning, we are officially breaking ground this summer. Construction will begin shortly, and these improvements will bring meaningful upgrades to our learning spaces,cafeteria, and infrastructure benefiting students for generations to come.

- **Financial Stewardship:** With strong community support, we passed a thoughtful and fiscally responsible budget that will allow us to maintain quality programming and invest in the future of our district.

We also celebrated several beloved traditions and new successes:

- **Schoolwide Events:** From a vibrant Family Picnic to the joy of Literacy Night and the pride of Honors Night, these moments reminded us of the strength of our school community.

- **Athletics:** Our Wildcat athletes gave us plenty to cheer for this year! Several teams made playoff appearances, and all demonstrated sportsmanship, hard work, and team spirit.

Looking back on all we've accomplished, I am incredibly proud. The dedication of our staff, the partnership of our families, and the determination of our students continue to define our success. I wish you all a restful, safe, and enjoyable summer and I look forward to welcoming everyone back in the fall for another exciting year.

With appreciation,

Carrie Yohe
Superintendent of Schools

Principal's Message

Dear Wildcat Community,

As we wrap up another incredible school year, I want to take a moment to recognize the hard work, perseverance, and tremendous growth of all our students—from our youngest learners in PreK to our graduating seniors. It has been truly inspiring to watch them challenge themselves, support one another, and celebrate their successes.

This spring was filled with memorable moments that reflect the spirit and strength of our school community. From our high-energy end-of-year carnival that brought families, students, and staff together for fun and connection, to standout events like STEM Wars, the FFA State Competition, the always-impressive Wax Museum, and our Elementary Wildcat 4th Quarter Awards, our students shined in every way imaginable.

It's been a great year—and I'm so proud of what we've accomplished together. Thank you to our families, staff, and community members for your unwavering support.

Wishing everyone a safe, restful, and amazing summer! We can't wait to welcome you back in the fall!

Sincerely,
Mrs. Melquist

Congratulations Class of 2025

2025 Sherman Central School Valedictorian

Kelsey Jane Wagner

Kelsey Jane Wagner (Kels, Wags, K, Kwagz, Euro-K) plans on attending Thiel College to study to become a physician's assistant. She also plans to continue her basketball career which started here at SCS. Kelsey also participated in softball and volleyball and she enjoys working out, volunteering, and boating. She has been awarded the Bob George Memorial Sports Award, the Dixie Smith Memorial Scholarship, the Harry Wake Scholarship, the John Butler Scholarship, the Rensselaer Medal, RIT's Women in STEM Award, a St. Bonaventure Bonnie Scholarship, the Sherman Alumni Association Award, the Sherman Student Council Scholarship, the Sherman Teachers Association Scholarship, and the Stanley Hose Auxilliary Scholarship.

"God is within her, she will not fall." -Psalms 46:5

2025 Sherman Central School Salutatorian

Max A. Guzman

Max A. Guzman (Maximus, Maxi, Maximillian, Maxwell) plans on attending Cornell University to study electrical engineering. During his time at SCS, Max ran cross-country and track. He enjoys camping and will miss the familiarity of SCS. Max has been awarded the Bob George Memorial Sports Award, a C.S.E.A. Scholarship, the Douglas and Gloria Neal Community Service Award, the Elmira College Key Award, the Greater Chautauqua Federal Credit Union Scholarship, the JCC Connections Student of the Year Award, RIT's Science and Math Award, the Ryan Mary Kiblin Memorial Scholarship, a St. Bonaventure Bonnie Scholarship, the Sherman Student Council Scholarship, and the Stanley Hose Company's George Raven Scholarship.

"It's not about the size of the wave, but the motion of the ocean."

Congratulations Class of 2025

2025 Sherman Central School Historian
Brady Q. Phelps

Brady Q. Phelps (Lobster) plans on attending and finishing college before continuing on to becoming a New York State Trooper. During his time at SCS, Brady was involved with baseball, NHS, High School Bowl, SADD, Band, FCS, and Historians for Humanity. He has been awarded the Frederick Douglas and Susan B. Anthony Award, the Gratzer-Wiggers-Hansen Good Citizen Award, the Inner Lakes Federal Credit Union Scholarship, a St. Bonaventure Bonnie Scholarship, the Sherman Alumni Association Award, the Sherman Student Council Scholarship, and the Virginia TenHagen Civic Award.

"If you laugh, you think, and you cry, that's a full day. That's a heck of a day. You do that seven days a week you're going to have something special." -Jimmy Valvano

Dylan S. Carey

Dylan S. Carey plans on going right into IT industry. Dylan enjoys technology and photography. He was the 2025 BOCES Salutatorian. Dylan has been awarded the Chautauqua Lake Associated Support Staff Scholarship, the University of Rochester's Award for Innovation and Information Technology, and the Westfield-Mayville Rotary International Scholarship.

"'For I know the plans I have for you,' declares the Lord. 'Plans to prosper you and not to harm you. Plans to give you hope and a future.'" -Jeremiah 29:11

Mason James Chambers

Mason James Chambers will be joining the work force as a welder. In his spare time, he enjoys four-wheeling and snow-mobiling. Mason will miss seeing his friends and teacher every day at SCS.

"The worst ideas become the best memories!"

Congratulations Class of 2025

Kellie Rose Christensen

Kellie Rose Christensen (Kel-Kel, Marv) will be attending Alfred State College to study building construction. She would like to start her own business in the future. Kellie has been a member of the basketball team and will miss seeing her friends every day. She has been awarded the Ruth B. Winch Scholarship.

"Tough times don't last, tough people do."

Collin M. Crawford

Collin M. Crawford will be continuing in the work force as a welder. During his time at SCS he was involved in FFA and he enjoys bull-riding, farming, welding, 4-H, and hunting. His favorite memory from high school was the senior trip.

"My four-year sentence has finally ended."

Nolan T. DeKoning

Nolan T. DeKoning (Brolan) will be attending Alfred State College to continue studying welding. During his time at SCS, Nolan participated in basketball and golf and he enjoys fishing. He will miss playing basketball with his teammates.

Erin Sage Elder

Erin Sage Elder (Grandma) plans on going straight into the work force. She is currently working in a 10-week summer program at Cummins. Erin enjoys playing guitar, drawing, working outside, and riding horses. She will miss the people she spent time with every day at SCS.

"We can't change what's done...we can only move on," -Arthur Morgan

Congratulations Class of 2025

Carson D. Gibbons

Carson D. Gibbons (Ricky) plans on joining the workforce to run heavy equipment. Carson enjoys shooting trap, riding dirt bikes, hunting, and working.

"I never used y=my+b to determine how much money I make."

Teagan Autumn Gratto

Teagan Autumn Gratto (Tink, Taco, Tinkerbell) plans on attending Alfred State College to study to become an RN. During her time at SCS, she participated in basketball and she enjoys drawing, painting, swimming, fishing, and four-wheeling. She has been awarded the Barbara Francis Howard Scholarship, the Dixie Smith Memorial Scholarship, the Lake Chautauqua Memorial VFW Post 5647 Americanism Award, RIT's Humanities and Social Science Award, and the Sherman PTSO Award.

"Be yourself, everyone else is already taken."

Joseph M. Issler

Joseph M. Issler (Joe, Joey, JJ, Junior) will be attending the Rochester Institute of Technology to study computer science and economics. During his time at SCS, Joseph has participated in golf, FCS, NHS, and Historians for Humanity. He has been awarded the Mary Lou and Jerry Russel Award and the University of Rochester's Baush & Lomb Honorary Science Award.

"Never put off until tomorrow what can be done today." -Sensei Wu

Isaphina Lindsey Kioko

Isaphina Lindsey Kioko (Isa, Phinny) has not yet decided what to do following graduation. During her time at SCS, Isaphina participated in track and basketball. She hopes to one day work as a cosmetologist and own her own business. Isaphina was awarded the Virginia TenHagen Civic Award.

"God is within me, I will not fail." -Psalm 46:5

Congratulations Class of 2025

Olivia B. Lindsey

Olivia B. Lindsey (Liv) will be studying engineering at the University of Buffalo. During her time at SCS, Olivia has been involved in band and trap. She enjoys reading. Her favorite memories include playing in the All-County bands. She was awarded the State of New York Office of the Attorney General Triple C Award, and the John Phillip Sousa Award.

"Isn't life beautiful? I think life is beautiful." -Lil Peep

Brenna E. Livermore

Brenna E. Livermore (Brenda, Sis) will be joining the work force. She is interested in becoming a CNA. She enjoys sleeping, tanning, and shopping. Brenna will miss hanging out with Kellie at SCS.

Kenadi R. Long

Kenadi R. Long (Ka) will be attending JCC to study life science with the goal of eventually obtaining her bachelor's degree. During her time at SCS, Kenadi participated in volleyball and NHS. She was awarded the Todd C. Kretz Memorial Scholarship, the Westfield-Mayville Rotary International Scholarship, and the Westfield Moose Auxiliary Award.

"A life ain't a life until you live it." -Mac Miller

Liam Wyatt Nickerson

Liam Wyatt Nickerson plans on playing Jr. Hockey and then attending college. He's considering law school. During high school, Liam has participated in hockey and golf. He enjoys working on his family's farm. Liam has been awarded a C.S.E.A. Scholarship, the Dr. E.S. Francis Award, the George Eastman Young Leaders of Tomorrow Award, and the State of New York Office of the Attorney General Triple C Award.

"The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy." -MLK Jr.

Congratulations Class of 2025

Andrew T. Perry

Andrew T. Perry plans on joining the United States Marine Corp. During his time at SCS, Andrew participated in track and field, FCS, and Historians for Humanity. He will miss his time with friends and the community. Andrew was awarded RIT's Technology Computing Award.

"If you like water, you already like 70% of me."

Carson Michael Pinzok

Carson Michael Pinzok (Cars) will be joining a lineman apprenticeship. During his time at SCS, Carson played football and basketball. He also enjoys fishing and hunting. Carson was awarded the Alfred University Scholar Award.

"If you wait until the last minute, it only takes a minute to do." -Whistlin Diesel

Dominick R. Rater

Dominick R. Rater (Dom) will be attending Alfred State College to study HVAC. He hopes to start his own business in the future. During his time at SCS, Dominick participated in shooting trap and he enjoys working out. He was awarded the Jack Weiland Memorial Scholarship, the Lake Chautauqua Memorial VFW Post 8647 Achievement Award, the Sherman PTSO Award, and the Stanley Hose Company's George Raven Scholarship.

"Seize the day or die regretting the time you lost." -Avenged Sevenfold

Zachary Schmitz

Zachary Schmitz (Zac, Python) will be attending Penn State Behrend to study biochemistry, molecular biology, and forensic science. During his time at SCS, he participated in track and field. He was also involved in martial arts, fencing, Boy Scouts, and Boy's State. Zachary has been awarded the George H. Ball Community Achievement Award, the New York State Comptroller Thomas P. DiNapoli's Student Achievement Award, and the Winifred Pratt Weeks Memorial Award.

"Embrace the change of tomorrow and never regret the day and remember the dusk is always followed by the dawn."

Congratulations Class of 2025

Aaron Zachary Stevens

Aaron Zachary Stevens (A-Aron) is going to join the work force. He would like to be a foreman in the future. Aaron enjoys running equipment, riding dirt bikes, farming, trucks, and hanging out with close friends.

"If you wait until the last minute, it only takes a minute to do."

Logan Conner Swan

Logan Conner Swan (Swan, Swanny) will be joining the work force. He would like to drive a truck or work in the agriculture field. During his time at SCS, Logan participated in basketball and trap. He was awarded the William A. Phelps Memorial Scholarship and RIT's Business and Leadership Award.

"My attendance may have been poor, but I sure wasn't!"

Kendra J. Thornton

Kendra J. Thornton (Kenny G, Kender, Ken) plans on attending JCC to study life science and become a conservation officer. During her time at SCS, Kendra participated in volleyball and enjoyed her art classes. Kendra was awarded the Equitable Advisors Scholarship and the Sherman Central School General Fund Scholarship.

"Don't spend time around people who are dedicated to misunderstanding you." -Sublime

Lily A. Wynn

Lily A. Wynn (Lil) will be attending JCC to study radiology. Lily enjoys long-boarding, cosmetics, coloring, and hanging out with her friends. She has been awarded the Sherman Alumni Association Award.

"Enjoy the best things in your life 'cause you ain't gonna get to live it twice." -Mac Miller

Congratulations Class of 2025

Jayden Marie Zenns

Jayden Marie Zenns (Jay-Z, Jay, John) will be attending Alfred State College to study criminal justice. During her time at SCS, Jayden participated in volleyball, NHS, and FFA. She was awarded the Judith D. Roberts Memorial Scholarship.

"We didn't realize we were making memories, we just knew were were having fun." - Winnie the Pooh

Special Thanks to the Senior Class Advisors

Mr. Liffner

Mrs. Liffner

2025 Commencement Speaker

The Class of 2025 welcomed Mr. Stephen Walczak as their commencement speaker during their graduation ceremony. Stephen was a 2015 graduate of Sherman Central School. He then went on to attendAshland University in Ohio where he majored in Forensic Biology and minored in Chemistry. Throughout his four years at Ashland University, Stephen was president of the golf club, a member of the Tri Beta Honor Society, and a member of the Kappa Sigma Fraternity. After graduation, he worked as a Specimen Prep Technician at Associated Clinical Laboratories in Erie, PA, primarily focusing on processing COVID samples. In late 2020, Stephen accepted a position at the Tennessee Bureau of Investigation (TBI) where he currently works as a Special Agent Forensic Scientist in the Forensic Biology Unit. He also graduated from the TBI Forensic Crime Scene Investigation School, making him a member of the Violent Crime Response Team. Since then, Stephen has become a qualified DNA analyst, a training officer, Crime Scene Coordinator for West TN, and is an active member within the community. In 2024, he was selected to attend the TBI Director's Academy, a two week-long leadership academy that focuses on preparing the TBI's future leaders. Stephen was also a co-recipient of the 2024 Forensic Services Division Forensic Scientist of the Year Award.

Congratulations

HAPPY RETIREMENT!

Carol Graham
Kim McCray
Cindy Stoddard
Dawn Zemcik

Carnival

On the evening of June 12, Sherman Central School hosted an end-of-year carnival on the football field. The community was invited to attend this free event, which included inflatable obstacle courses, a dunk tank, face painting and more. The district would like to thank everyone who worked hard to make this event a success!

Wellness Day

On May 16th, all of our students and staff celebrated our annual Wellness Day. Thanks to our volunteers and community agencies who made it possible for our students to enjoy a morning full of movement, building relationships, making memories, and learning about the importance of taking care of their bodies.

Brad Barmore, our keynote speaker, returned to SCS to share a powerful message with our students about leveling up, challenging yourself, and surrounding yourself with people who will support your dreams. In partnership with the Chautauqua County Health Department and the Chautauqua Health Network, we kicked off our "Hit the Trails" challenge with our second through sixth grade students. We were also joined by local community agencies and professionals including The Chautauqua County Department of Mental Health, Prevention Works, Southern Tier Family Dentistry, the NYS Police Department and Miss Southern Tier Olivia White, a Miss New York candidate.

A special thanks to our guidance, physical education, art, and music departments for providing stellar sessions for our students, too! It was a great day!

SCS Elementary Character Awards

Congratulations to the following students for being recognized for showing good character this year.

1st Quarter: Safety

Ronan Booker, Hunter Carlson, Ethan Cole, Scarlett Cole, Aniyah Cruz, Leo Galino, Gabriella Gibbons, Georgia Griswold, Katelyn Hotchkiss, Rayne MacDonald, Ellie Marino, Gracelyn Miller, Anakin Murphy, Brayden Oehlbeck, Howard Palmatier, Everett Park, Colton Reynolds, Raelynn Rowan, Aiden Thompson, Matthew White, Ava Williams, Garet Wilson, Nora Winterberger, Charlotte Work

2nd Quarter: Respect

Brystal Auge, Melina Bojarski, Adalynn Burroughs, Nevaeh Crandall, Abigail Douglas, Isabella Fisher, Connor Gallagher, Liam Gibbons, Kenai Hamilton, Charlotte Kobielski, Isaac Kobielski, Carly Mardino, Paxtyn Motherwell, Harley Orton, Harper Owens, Braxton Ramsey Taylor, Trenton Ramsey Taylor, Owen Scadden, Henry Swanson, Amelia Taylor, Archer Taylor, Aiden Thiem, Hayden Weise, Willa Weise, Kylie Williams, Nathan Winterberger

3rd Quarter:Responsibility

Callie Barrett, Landyn Carlson, Aniyah Cruz, Levi DeLand, Arianna Dulmus, Bowen Eckwahl, Leevi Gabriel, Nadia Kranz, Lyric Lathan, William Lutgen, Emily Mardino, Caden Martin, Macy Mattocks, Kayci McGrath, Katherine Mellors, G'Winiveer Murphy, Trenton Murray, Garrett Smith, Isaac Taylor, Madilynn Tornstrom, Kylee Vicary, Paisley Wheeler, Paisley Work, Anthony Mysnyk II

4th Quarter: Success

Bentley Auge, Brystal Auge, Payton Ceci, Mark Cook, Rylee Delles, Henry Dropsho, Hadlee Gabriel, Kenai Hamilton, Aurora Higby, Kenley Kramer, John Lintz, Carly Mardino, Madi Mattocks, Kayci McGrath, Emily Miller, Damien Mooney, Mycaiah Mowers, Talia Owens, Lawson Reed, Itzae Rivera, Matthew Rivera, Nolan Rolla, Emmett Scadden, Holden Taylor, Miles Taylor

Prekindergarten

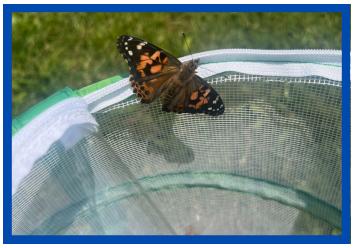

Prekindergarten had a fun day on our trip to Midway State Park. The weather was great! Thank you so much to the parents for attending- it was nice seeing everyone there.

Also, the caterpillars from Mrs. McCauley's room from the Spring Open House turned into butterflies and were released by the class.

Kindergarten

This school year has been full of fun and learning. We read many exciting books that helped us grow our imaginations and learn new things. Recently, we explored American symbols like the flag, bald eagle, and Statue of Liberty to better understand our country. In math and science, we had a blast building 2D and 3D shapes using marshmallows and toothpicks. Our end-of-the-year trip to Midway State Park was a great way to celebrate all our hard work. Now, we're looking forward to a relaxing and adventurous summer vacation!

First Grade

It's a great day to fly a kite! Our first grade students have been participating in an alphabet countdown to the end of school, with a different activity each day for each letter of the alphabet! The letter K day was Kites and Kindness. Students made their very own kites, then took them to the football field to fly them. Every student was successful and all the kites worked! We also went on a nature walk for "N" day.

Second Grade

As the school year winds down, our days have been filled with fun, friendship, and unforgettable memories! Thanks to the generosity of our amazing PTSO, students enjoyed an exciting field trip to Elevate Jump Park in Erie—an experience full of laughter, movement, and joy. We also celebrated Field Day, where students worked together, built communication skills, and demonstrated great teamwork.

In the classroom, students have been learning all about the post office and its important role in everyday life. They practiced how to properly address an envelope, explored the steps involved in mailing a letter, and discovered the lasting impact of a handwritten message. These hands-on experiences brought real-world learning to life in a meaningful way. To wrap up our learning, we made a visit to the local post office!

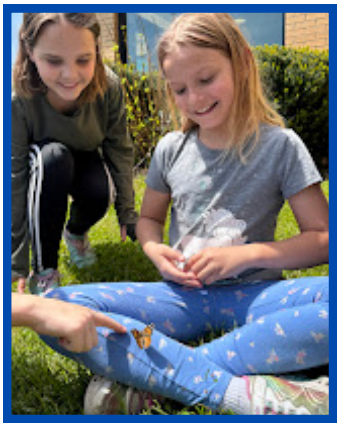

Third Grade

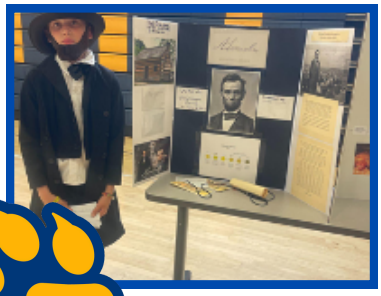

During the month of May, our third grade students became real-life scientists as they explored the fascinating life cycle of the Painted Lady butterfly. As part of our science unit on life cycles, each student observed their very own tiny caterpillar as they grew, formed chrysalises, and finally as emerged as beautiful butterflies-right before their very eyes! Students carefully documented each stage of the metamorphosis process, gaining hands-on experience with observation, recording data, and discussing the changes they saw each day. The unit culminated in a special outdoor butterfly release, where students gently set their butterflies free into nature — a memorable and meaningful moment that connected classroom learning to the world around them. It's been a joyful journey of curiosity, discovery, and care for living things!

Fourth Grade

We are thrilled to celebrate the remarkable achievements of our fourth graders, who recently wrapped up an inspiring and educational wax museum project. Over the past several weeks, these young scholars dove deep into the lives of famous individuals, drawing from the Who Was biography series to research and portray historical figures of their choice. From writing comprehensive research papers to designing creative posters and presenting in character, our fourth graders impressed us all with their dedication, creativity, and enthusiasm for learning.

The final quarter of the school year was packed with unforgettable experiences that extended beyond the classroom walls. In Bemus Point, students explored the history of Chautauqua Lake with a visit to the Lawson Center Boat Museum and enjoyed a ride on the iconic Bemus Point Ferry. Their travels also took them to Splash Lagoon, Lockport for a ride along the historic Erie Canal, and Niagara Falls State Park, where they marveled at the Horseshoe, American, and Bridal Veil Falls from scenic trails and overlooks.

Fifth Grade

That's a wrap! We made it through Fifth Grade! We knocked off all our courses and state tests. We even managed to have some fun along the way. We were able to take a field trip to the Buffalo Museum of Science and had a great, albeit a bit chilly, day at Waldameer. Now everybody is getting ready for a new adventure heading into Sixth Grade!

Sixth Grade

As the school year comes to a close, our students enjoyed two exciting field trips to celebrate their hard work. Students who earned Merit and Honor Awards were treated to a fun afternoon at the roller-skating rink, where they showed off their moves and enjoyed time with friends. Our class also took a trip to the Buffalo Museum of Science, where students explored a variety of hands-on exhibits that brought learning to life. It was a great way to end the year with both fun and discovery. Wishing all of our students and families a safe and relaxing summer!

Junior High

On June 11, seventh and eighth grade students went on a field trip to Presque Isle to enjoy the sun on the beach! They had a blast, eating grilled hot dogs, playing Spikeball, playing catch, building sandcastles, and burying one another .

Thank you so much to the SCS PTSO for funding this trip and providing so many activities for our students this year!

Special Olympics

On June 3rd, our special education students from grades K-8 attended the Special Olympics at Strider Field. They competed against students from Chautauqua County schools in softball throwing, 50 meter dashes, and long jump. Our students had so much fun competing and hanging out with their National Honor Society buddies, and showed their true Wildcat spirit!

Library

In the library, 7th graders capped off both their quarter and the school year with a hands-on "makerspace" activity that encouraged creativity and collaboration. Using kits borrowed from the BOCES Media Center, students explored the colorful possibilities of duct tape crafting.

Congratulations Mr. Cross!

Congratulations to Mr. Greg Cross for being selected as a 2025 Legacy Fellow for Civil Rights Education. This prestigious fellowship, launching in July 2025, is the culmination of a long-held vision to create a transformative, immersive learning experience for Chautauqua County educators. The Legacy Fellowship is a highly competitive and selective professional development program that brings local educators to Montgomery, Alabama- the heart of the American Civil Rights Movement- for four days of in-depth historical exploration and collaborative learning. Mr. Cross' selection reflects his deep commitment to justice-centered education and his role as a leader within our district.

Track and Field

The 2025 Track Season saw 200+ updates to the CSP Top 20 list, with 9 being CSP Records. The Varsity Girls finished the season with an undefeated league record and are the 2025 Section 6 Class D Champions. The Varsity Boys finished the season with an undefeated league record and are the 2025 Section 6 Class D runners-up.

Congratulations to the following Sherman students for patching at Sectionals:
Isa Kioko (4th in the High Jump: 5-0)
Talon Persons (4th in Triple Jump: 40-10.25 *CSP RECORD*)
Emmersen Crawford (4th in Pentathlon: 2310 *CSP RECORD in Long Jump 16-0.25*)

Congratulations on a great season to all the CSP athletes!

If you have any questions about Cross Country for the fall season or Track and Field for the 2026 spring season, please contact Mr. Morano at dmorano@shermancsd.org. There is optional summer training for cross country (7th through 12th grade) available if athletes are interested.

The 2025 spring season marked a major milestone as Clymer, Sherman, and Panama came together to form the first-ever combined CSP Modified Track & Field team. Over the course of an 8-week season, 29 student-athletes showed dedication, teamwork, and determination as they laid the foundation for this brand-new program.

This group of athletes did more than just compete—they set the standard. New program records were established in every event, creating a legacy that future athletes will look to build upon.

At the CCAA Modified Championships, 24 CSP athletes represented the team, with 8 athletes placing in the top six of their respective events.
We are incredibly proud of these trailblazing athletes. The future of CSP Track & Field is bright, and this group will always be remembered as the team that started it all.

Kenadi Long

I have taken many different art classes throughout my high school career. I will be attending JCC in the fall for life science but I plan to always keep art as a hobby and improve my skills because it is something I enjoy. My favorite thing about art is that you have the freedom to do anything you want. There is no right or wrong way to do something. Watercolor, acrylics, and oil are my favorites but I also love to draw and sketch.
