Photo and Video Opt Out Form

*(Complete and return this form **ONLY IF YOU DO NOT GIVE PERMISSION** for your student to appear in possible school publicity images or videos, including postings on the school or district website.)*

There are many activities and accomplishments that take place in our schools which Duluth Public Schools feel are positive, newsworthy and of interest to the community. Teachers and staff members use photos and videos for the purpose of highlighting student achievements or chronicling classroom and school activities. Those images may be used in informational newsletters, school brochures and marketing materials, school or district social media, school or district websites, TV stations, or newspapers.

If, for any reason, you do not want your child's likeness to be used by Duluth Public Schools or the media, please fill out this form and return it to your child's school office. A separate form is required for each child.

This form only applies for the current school year and to classroom activities and school events that are not already open to the public.
