

**Superintendent’s Special Education Council
Agenda for October 9, 2025**

Meeting Outcomes:

- Understand the role of the Superintendent’s Special Education Council.
- Understand the expectations of council members.
- Participate in a team building activity in order to develop relationships with other council members.
- Become aware of professional learning opportunities for special education teachers and paraeducators to support instructional and behavioral growth.
- Share insights and provide meaningful feedback to the Superintendent on special education policies, procedures, and resources.
