How to manage MyKidsSpending account

Check it out!

My Kids
Spending

Wow!

Configuring Auto-Pay on MyKidsSpending is easy and will keep your child's balance updated!

Set up auto-funding
today!

- Login to your account at www.mykidsspending.com
- Click **Auto Transfers** to get started with automatic payments.
- Follow the on-screen steps to enable **Auto-Funding** for your child.

MyKidsSpending recommends that you set the balance to replenish while your child still has enough to cover 3-4 days of spending, and that the replenishment amount cover at least 10 days. The minimum payment amount is \$25, and we recommend at least \$60 to ensure your child has funds available.
