Proposed Calendar Options

Option 1 - Provides additional Professional Development (PD) days for teachers while preserving the full February break.

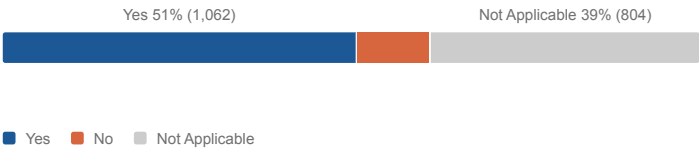

Option 2 - Keeps the first day of school in the third week of August, adds Professional Development (PD) days for educators, adjusts the length of the February break, and ensures the school year ends before Memorial Day.

Option 3 - Begins the school year earlier than in previous years, maintains a full week off in February, and ends the school year on the Friday before Memorial Day.
