Blueprint Event

From Kindergarten to 12th grade, students at MDCA&CH took part in the ASC's "Blueprint Event," mapping out their personal plans for a successful year. With guidance from our Peer Tutors, each student reflected on their goals, identified key habits for success, and chose a Power Word to keep them focused and motivated. Words like pray, focus, determination, and grit were written on "The Rock," symbolizing our firm foundation in faith and perseverance.

As we are reminded in Psalm 139:14, "I praise You because I am fearfully and wonderfully made." Each student's blueprint is a reflection of God's unique design for their life, built with purpose, confidence, and care. Together, we're designing blueprints that will stand strong all year long!

Mapping My Blueprint

An elementary student sharing his goals for the year.

A secondary student documenting her goals on paper and outlining the necessary steps to achieve them.

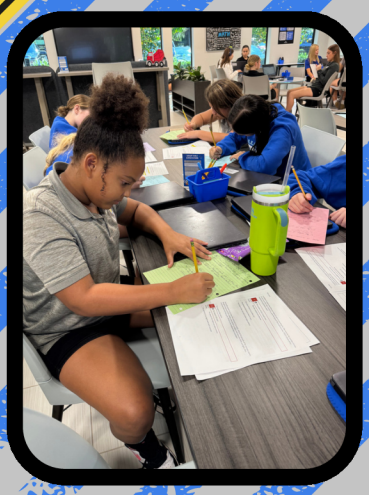

Students selected a Power Word to motivate and guide them toward achieving their goals for the year.

ASC Spirit Night

The ASC attended the Sept. 12 football game to promote school spirit. Our peer tutors created GAME DAY BUTTONS to distribute and also provided footballs, sponsored by Mortgage Financial Group, for the cheerleaders to toss into the stands.
