Dear Parents/Guardians,

I am pleased to announce that the Yvonne E. Milliner Bowsky Elementary School (YEMBES) Library provides digital resources to students for free. Please visit the website: <https://usvischools.com/yvonne-e-milliner-bowsky-elementary-school/>. (Only Learn360 requires a username: **yembes**, and password: **digital**).

For the hard copy books (Print format), our school library permits students in Grades 1-5 to take home their borrowed library book for two weeks. Students need to interact with good books by reading them both at home and school.

Taking care of library books will be discussed extensively during library class. I will need your help to make sure that the book is kept in good condition and is returned to the library on time. **Parents are expected to pay the actual cost of the book to replace any lost or damaged book.**

Thank you for your support.
