Instructions

The Community Eligibility Provision (CEP) for the National School Lunch Program (NSLP) provides an alternative to household applications for free and reduced price meals. Eligible Sites, or group of Sites, must meet the minimum Identified Student Percentage (ISP) of 25.00%. CEP can be elected for an individual Site, group of Sites (e.g., Group 1), or across the district. The information in the following table identifies all Site applications that have selected CEP, and the respective Site's identified student data.

For each site, identify whether the site will qualify based on its individual numbers ("Individual") or as a group ("Group #").
