

GEO ACADEMIES REGIONAL SPECIAL EDUCATION DEPARTMENT

CHILD FIND

What is Child Find?

Child Find is a way for schools to look for kids who might need extra help learning.

Geo Academies want to make sure they find and help all children who may have a disability, from birth to age 21. These kids might need special education or other services to help them learn.

Who can be part of Child Find?

Any child from birth to 21 years old who might have a disability can be part of Child Find.

If you think a child needs help, you can talk to the Child Find representative to learn more and find out what to do next.
