Fall Break

Fall Break is a great opportunity for students to catch up on Edgenuity courses. Please note that teachers will also be on break and will not be available, even by email, during this time.

This week's progress goal is **56% by end of the week.**

Lunch Reminder

We keep a small supply of Ramen noodles in the office for those rare occasions when a student forgets their lunch.

Recently, some students have been requesting them simply because they don't like what was packed or say it isn't enough food. Please take a moment to talk with your student about the importance of eating the lunch they bring from home. This helps us ensure we have Ramen available when it's truly needed. Thank you for your support!

Remember- if your student needs help over break, there is a live tutor on the Edgenuity platform. They will be available if you need some help!
