

Memorandum of Understanding
Orion Bell Schedule

The Pasco School District and the Pasco Association of Educators agree to the following Memorandum of Understanding concerning the time change for the Orion High School student day.

Due to challenges with student transportation, the parties agree that starting school later is in the best interest of the students. Effective Monday, 13 October 2025, the student day for Orion High School will start 15 minutes later each day. All student start times will be adjusted to be 15 minutes later; teacher start and end times will remain unchanged. Attached is the amended schedule showing the 15-minute change.

For Pasco School District Date 10/7/25

For Pasco Association of Educators Date 7/6/2025
