These programs were arranged & made possible by the K-12 Teachers Alliance in cooperation with Concordia University Irvine.

*The repayment example set forth above is for illustrative purposes only and was calculated based on a standard amortization federal Stafford loan assuming a loan amount of \$21,300, a payment term of 10 years and a fixed interest rate equal to 7.94%. Loan amount of \$21,300 is based on the total tuition price for the Masters Degree in Education for the 2025-2026. Your total loan amount may vary based on program selection. The loan calculator used in this example is available at www.studentaid.gov. It is your responsibility to verify your eligibility by completing the Free Application for Federal Student Aid at www.fafsa.gov. All loans are subject to federal student aid guidelines. The actual interest rate may change periodically based on federal regulations. If you elect to defer payments until graduation, loan interest may accrue during deferment.
