## Other Programmes and Costs

### SIP – Samakee Inclusion Programme

During their school careers, some children develop exceptional needs that are very different from those of their peers. These needs often reflect a difficulty that the child is experiencing with either part of the learning process or with their personal, social, and emotional needs. At these times, our school will work directly with the child and the parents to respond to the area of concern.

The Learning Support Team consists of qualified Learning Support Assistants who collaborate with the school's SENCO (Special Educational Needs Co-ordinator), class/subject teachers, therapists, and outside agencies to ensure that all children in their care make good progress and reach their full potential.

High Needs Programme		One-to-One LSA Fee
Per Term 1	THB	195,000
Per Term 2	THB	273,000
Annual Fees	THB	468,000

The Samakee Inclusion Programme management fee is 20,000 baht per term. Please note that the Learning Support Programmes are compulsory for students who the school deems necessary. No student may exit the programme without the school's approval.

## Payment of Fees

### 1. Overdue payments

Interest at 1.25% per month will be charged for all late payments. Management may exclude children from classes when payments are overdue.

### 2. School Bus Service

Unless we have been otherwise informed, we will assume that your child will continue to use the school bus service if they have been doing so in 2024-2025. Please let us know as soon as possible if this is not the case.

## Bus Fee:

SESSIONS	ONE WAY		TWO WAYS

5 days	32,800 Baht	65,600 Baht	55,200 Baht	110,400 Baht

### 3. Family discounts

When parents enrol a third child at the school, a 10% tuition fee reduction (only) will be given. However, all three siblings must attend the school at the same time for the third child to be eligible for a family discount. Fourth and subsequent children will be granted a 20% reduction. This scheme only applies to siblings with the same legally recognised parents and does not include members of the extended family, e.g., cousins.

### 4. Refund of tuition fees

When a child leaves the school before half term and we are notified in advance, 50% of the tuition fees (only) will be refunded. When a child leaves school after the beginning of the second half term, no refund of fees will be made.

### 5. Entrance Fee

We recognise that the initial payment of an Entrance Fee represents a large financial outlay for some parents, and we offer an alternative method of payment for those who would prefer to spread this burden.

Under this scheme, new parents can choose to pay either the Baht 60,000 per child as a one-off Entrance Fee or pay an additional Baht 30,000 per term for two consecutive terms.

### 6. Withdrawals

Children leaving our school are required to clear all obligations before final reports, records, and completed work are made available. This includes library books and any other school materials.

Thank you for your cooperation.
