The team of the NGO “Sirius Animal Shelter” invites you on October 11, 2025 to celebrate the shelter’s 25th anniversary.

We are deeply grateful to you for your continuous support — without it, the shelter would have struggled to survive. Over the years, the shelter has gone through a challenging journey together with you.

Despite the war, the shelter continues to persevere and strives to create better living conditions for the animals — thanks to you. We hope for your continued support and will be happy to see you at our celebration.
