Jim Anderson  
Montclair State University

# The Mission

Since 1959, the Higher Education Student Assistance Authority is the only State agency with the sole mission of providing students and families with the financial and informational resources to pursue their education beyond high school.

# Financial Aid Application Graduation Requirement:

FAFSA, or if applicable  
NJ Alternative App for  
NJ DREAMERS or an  
Approved Waiver

New Jersey high school graduation requirement for students in the graduating classes of 2025, 2026 and 2027:

- Builds awareness of financial aid resources for New Jersey students to pursue a postsecondary education
- Determines eligibility for both federal (FAFSA only) and state financial aid
- Empowers students to make informed decisions about the college selection process
- Emphasizes that a college degree is both accessible and affordable for many NJ residents

## Goals of Financial Aid Office

Primary goal is to assist students in paying for college and is achieved by:

- Evaluating family's ability to pay for educational costs
- Distributing limited resources in an equitable manner
- Providing a balance of grants/scholarships and other funds from the family's own resources, such as savings or wages from school-sponsored student employment.
- Implementing federal and state regulations for their college/university

# What Is Financial Aid?

- Generally speaking, financial aid includes all funds made available to students that do not come from their family.

- College Board Profile Form (for some schools)
- Verification Documents/Tax Documents
- Information from a parent who is not providing information on the FAFSA

# Student Aid Index (SAI)

- SAI is a number that will be used by colleges to determine a student's financial aid eligibility.
- Derived from a formula that assesses contributions from the parents and the student
- The Federal SAI determines eligibility for federal programs.
- Some colleges use an institutional calculation, called Expected Family Contribution (EFC), to determine eligibility for *institutional funds*.

# How Is Eligibility Determined?

- Cost of Attendance (COA) - direct and indirect costs
  - Tuition and fees
  - Room and Food
  - Books and supplies, transportation, personal expenses
- Adjustments for special circumstances – study abroad, disability costs
- Federal vs. Institutional calculations; differences in assessment
