

# Brown Girls Rooted (BGR)

*Mentorship • Sisterhood • Outdoor Adventure*

## ■ Who We Are

Brown Girls Rooted is a youth mentorship program **designed to assist girls of color, ages 11–17**. We believe it takes a village—and our “Aunties” (mentors) walk alongside our “Nieces” (mentees) from middle school through college and beyond.

## ■ What We Offer

- Outdoor Adventures: Monthly hikes, camping trips, ranger badge passports
- Leadership & Life Skills: Public speaking, teamwork, transition into adulthood
- Wellness & Home Economics: Cooking, nutrition, financial literacy, body positivity
- College & Career Prep: Readiness workshops, college tours, community service hours

## ■ Why It Matters

Representation matters. BGR provides culturally affirming mentorship, erasing stereotypes and building confidence, wellness, and sisterhood for the next generation of leaders.

## ■ How Schools Can Partner

- Invite us for enrichment workshops or after-school programs
- Share our hike schedule with families
- Collaborate on mentorship initiatives tailored to your students
