Dear Parents and Guardians:

Grade 8 continues to do well during lunch time, with respectful behavior and clean tables. Today, grade 8 watched some of The Lorax, and the cafeteria was serving ice cream as well, which made for a pretty good Friday.

One reminder to all families, students are not permitted to get off at a different stop without proper documentation. This has happened on a couple of Fridays and this week on the half day. When a student has permission to get off at a stop other than theirs, they should bring a note to the main office and we will provide them the documentation to give to the bus driver. It's important to note that this practice is not encouraged and should only be done when it's entirely necessary.

Students continue to arrive on time to school, are engaged in their classrooms and overall we're off to a good start here at the Middle School.

Thank you,

Ellen Murray
