

## Academics

### Definition:

Create a supportive, data-driven educational environment that promotes academic achievement, accountability, and lifelong learning skills, preparing students for success both academically and in real-world contexts.

### Goal:

1) The Deuel School District will develop the Profile of a Graduate. 2) The Deuel School District will improve their academics, specifically raising their SBAC and ACT Scores. 3) The Deuel School District will continue to use their formative MAPS assessment and track student growth both individually and summatively.

### Metric:

SBAC advanced and proficient scores to increase by 5% at the district level, and ACT composite score of 22. MAPS growth assessments, annual 60% above median RIT Score for students. Survey of perceptions of graduate competencies.

## School Management

### Definition:

Elevate culture, develop smart enrollment strategies, long-term financial plans, and efficient operations focused on student success and long term sustainability of the district.

### Goal:

The district will build a culture of continuous improvement by actively listening to staff, strengthening trust, and regularly reviewing and refining its strategic priorities to meet evolving needs.

### Metric:

Surveys and focus groups by district + leadership rounding and action plans with outcomes.

## Student Culture

### Definition:

Establish a supportive and structured environment that fosters positive behavior, academic growth, and future readiness for students.

### Goal:

The Deuel School District will improve both student behavior and student support.

### Metric:

Survey conducted by the district and outcomes from data retreats.

District 19-4

## School Pride - Parent & Community Engagement

### Definition:

Strengthen connections between the school, families, and the broader community to foster a collaborative environment that supports student learning, community involvement, and pride in school identity.

### Goal:

The Deuel School District will improve school pride and parent/community engagement.

### Metric:

Survey conducted by the school district.

## Communication - Internal & External

### Definition:

Enhance transparency, engagement, and collaboration among staff, students, parents, and the community through a structured, consistent, & inclusive communication approach.

### Goal:

The Deuel School District will improve both internal and external communications.

### Metric:

Inaugural and benchmark survey administered by Deuel School District.
