## 1. Aims

Our school aims to meet its obligations under the Public Sector Equality Duty (PSED) by having due regard to the need to:

- Eliminate discrimination, harassment, victimisation and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share a relevant protected characteristic
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it. The protected characteristics are:
  - Age
  - Disability
  - Gender reassignment
  - Marriage or civil partnership
  - Pregnancy and maternity
  - Race
  - Religion or belief
  - Sex
  - Sexual orientation

Our school aims to promote respect for difference and diversity in accordance with our values, which are ambition, determination and respect.

## 2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the Public Sector Equality Duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the Public Sector Equality Duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#), the [technical guidance for schools from the Equality and Human Rights Commission](#) and [guidance from the Government Equalities Office on meeting the specific duties that support the Public Sector Equality Duty](#).

## 3. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, students and parents/carers
- Ensure that the published equality information is updated at least every year, and that the objectives are reviewed and updated at least every 4 years

- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher.

The Headteacher will:

- Promoting knowledge and understanding of the equality objectives among staff and students

Monitor success in achieving the objectives and report back to governors

#### **4. Eliminating discrimination**

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act – for example, during meetings. Where this has been discussed during a meeting, it is recorded in the meeting minutes.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training every September.

The school has a designated member of staff and Assistant Headteacher for monitoring equality issues. They regularly liaise regarding any issues and make senior leaders and governors aware of these as appropriate.

#### **5. Advancing equality of opportunity**

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people that are connected to a particular characteristic they have (e.g. students with disabilities, or gay students who are being subjected to homophobic bullying)
- Taking steps to meet the particular needs of people who have a particular characteristic
- Encouraging people who have a particular characteristic to participate fully in any activities (e.g. encouraging all students to be involved in the full range of school societies)

In fulfilling this aspect of the duty, the school will:

- Publish attainment data each academic year showing how students with different characteristics are performing
- Analyse the data referenced above to determine strengths and areas for improvement, implement actions in response and publish this information
- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own students

#### **6. Fostering good relations**

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, students will be introduced to literature from a range of cultures
- Making students aware of our behaviour and anti-bullying policies
- Holding assemblies dealing with relevant issues. Students will be encouraged to take a lead in such assemblies, and we will also invite external speakers to contribute
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community
- Encouraging and implementing initiatives to deal with tensions between different groups of students within the school. For example, our school council has representatives from different year groups and is formed of students from a range of backgrounds. All students are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

## **7. Equality considerations in decision-making**

The school ensures it has due regard to equality considerations whenever significant decisions are made. We consider equality implications before and at the time that we develop policy and make decisions and continue to review these on a continuing basis.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to students with disabilities

The school keeps a written record (known as an Equality Impact Assessment) to show we have actively considered our equality duties and asked ourselves relevant questions. This is recorded at the same time as the risk assessment when planning school trips and activities. The record is completed by the member of staff organising the activity and is stored electronically with the completed risk assessment.

## **8. Equality objectives**

Objective 1 - To improve student attendance for all groups so that it is above Lewisham and national.

Objective 2 - To achieve positive outcomes with all classes significantly closing the gap between PP, HPA, BCRB and SEND students.

Objective 3 - To reduce incidents of bullying over the next academic year, through targeted education, staff training, and robust reporting procedures.

## **9. Monitoring arrangements**

The governing body will update the equality statement we publish, at least every year.

School-specific equality objectives will be reviewed by head teacher and DEIB Lead at least every 4 years.

This document will be reviewed by Children, Families and Community Committee, annually, to ensure continued compliance with the PSED.

This document will be approved by governing body.
