

WEST UTICA ELEMENTARY

Exact times for each individual bus stop locations are difficult to determine until the run becomes consistently established which can take several weeks. Until this occurs, a general guide is to expect the first morning stop on a late elementary school run to take place at or about 8:20 AM and the remaining stops to following in the order listed, timing for arrival to school in time for the 9:05 AM start bell.

Take home drop off bus stops are at the same locations, but since departing from the school may sometimes be completed in reverse order.
