2025-2026 Theme:

Stand

"Be on your guard; stand firm in the strong. Do everything in love."

1 Corinthians 16:13–14

Firm

faith; be courageous; be

LETTER FROM OUR PRESIDENT

As I prepare this annual report about the 2024–2025 school year, I wanted to take some time to reflect on the year. That means trying to quiet my mind, pause from the busy days of the school year, and allow Christ to bring back memories from this year. Here are a few that come to mind.

Our theme Rooted in Christ - "Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith..." Colossians 2:6–7 – challenged each student, teacher and leader to deepen their faith in Christ while growing and learning together. For me, that meant times of prayer, simply to connect with Christ and deepen my trust in Him. For our students, it was a daily reminder to seek Jesus and deepen their faith in our creator.

Our Graduate Profile - A CSAGH graduate is... Living for Christ, Leading Boldly, Serving with Humility, Confident in Their Skills, Strengths, and Experience – was evident on graduation day as 53 seniors proudly received a CSAGH diploma. I was so proud to share the stage with each of them – the best of our next generation because they enthusiastically live for and serve our risen Savior!

Our Promise - to deliver an excellent Christ Centered education which prepares students to be leaders who impact the world for Christ - is stronger than ever! Our schools are relatively affordable compared to other schools in our market. We are the only school offering college dual enrollment courses as part of tuition, and we have eliminated all fees, which has led to more than 80% of our students participating in activities like musicals, athletics, and clubs.

All of this is not possible without our community of support! We have had a record-breaking year, with more than \$3 million raised from over 2,900 donations! We thank you and congratulate you for working alongside us to advance our mission and introduce the next generation to an active faith in Jesus Christ.

I'm excited to share this annual report with you and hope you enjoy reliving the last year. We have much to be thankful for, so taking the time to reflect and remember is an encouragement to us, and we hope it is to you as well!

Blessings,

Mark Seymour

PARENT PROMISE

Our promise is to deliver an excellent Christ-centered education which prepares students to be leaders who impact the world for Christ.

New Program Introduction: The Impact Project!

In the 2024–2025 school year, CSAGH schools introduced a new opportunity for juniors and seniors to explore an IMPACT Project, an individualized experience in the areas of Interest, Mission, Partnership, Authority (Leadership), Career, or Trade. This initiative allows students to live out the qualities of a CSAGH graduate in meaningful and expanded ways.

Instead of participating in a traditional J-Term course at HCS or WSCA, 11th and 12th graders are now discovering unique opportunities to meet their IMPACT requirements. These projects extend over months rather than weeks, giving students the chance to pursue something they are passionate about and make a lasting difference in the world. Each project is designed to be personal and purposeful, requiring a minimum of 25 off-campus hours, an Experience Log, and a final End-of-Project Reflection.

Through these experiences, students reflected the call of Scripture in Micah 6:8 and Philippians 2:5–11 while embodying the vision of the CSAGH Profile of a Graduate. All HCS and WSCA juniors and seniors completed an IMPACT project in the 2024–2025 school year. Check out five examples on the next page!

Interest

Develop an experiential learning project in an area of interest

Mission

Participate in an organized mission trip through school, church, or another organization

Partnership

Partner with a local service organization

Authority (Leadership)

Coach a sports team, co-lead a middle school club or activity, hold a leadership position in an outside organization

Career

Shadow someone working in business or industry

Trade

Shadow someone working in a trade or other occupation

Luke - UPMC Hospital

Luke, a WSCA junior, completed a one-week internship at UPMC Hospital, where he shadowed nurses in three departments: the ER, Med-Surg, and Pediatrics. He especially enjoyed the opportunity to care for patients and experience nursing firsthand. This experience confirmed his passion for healthcare and helped him recognize God's calling to pursue nursing or another career in the medical field.

Victoria - Elementary School Cheer

Victoria, a WSCA junior, launched an after-school Pep Squad for elementary girls, where they learned the fundamentals of cheerleading and gymnastics. The squad reached their exciting goal by performing and leading cheers at two middle school basketball games.

Jacob - HCS Campus Updates

Jacob, an HCS senior, built benches and installed a basketball hoop to enhance the elementary students' recess experience. This project gave him the opportunity to complete his Eagle Scout requirements.

Elise - Pristine Smiles Family Dentistry

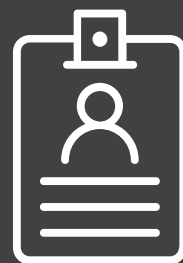

Elise, a WSCA senior, spent her time at Pristine Smiles Family Dentistry in Mechanicsburg with Dr. Bogavelli. Since she hopes to pursue a career in dentistry or orthodontics, the opportunity to shadow in a professional clinic gave her valuable hands-on insight into her future field.

Alana - Hershey Medical Center

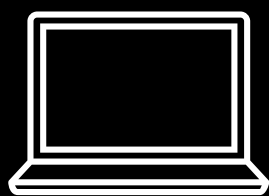

Alana, an HCS junior, volunteered more than 50 hours in the NICU and Emergency Department at Hershey Medical Center as part of her IMPACT Project. She chose this experience to help her discern whether she wants to pursue a career in the medical field while gaining firsthand exposure to the hospital environment.

Class of 2025 Future Plans

The Class of 2025 will attend award-winning colleges, serve with Christian ministries, enter the workforce, and join the military. The 53 graduates are prepared for a successful career in every path they pursue. Their accomplishments are a testament to the caliber of education at Harrisburg Christian School and West Shore Christian Academy, to the investment of parents, and to the dedication of each student to academic excellence.

A CSAGH Graduate Is...

What describes a graduate of WSCA or HCS? After a year of research and visioning, we summarized how our community describes our alumni. We proudly say that they are the best of our next generation. A CSAGH Graduate is ... Living for Christ, Leading Boldly, Serving with Humility, Confident in their Skills, Strengths, and Experience.

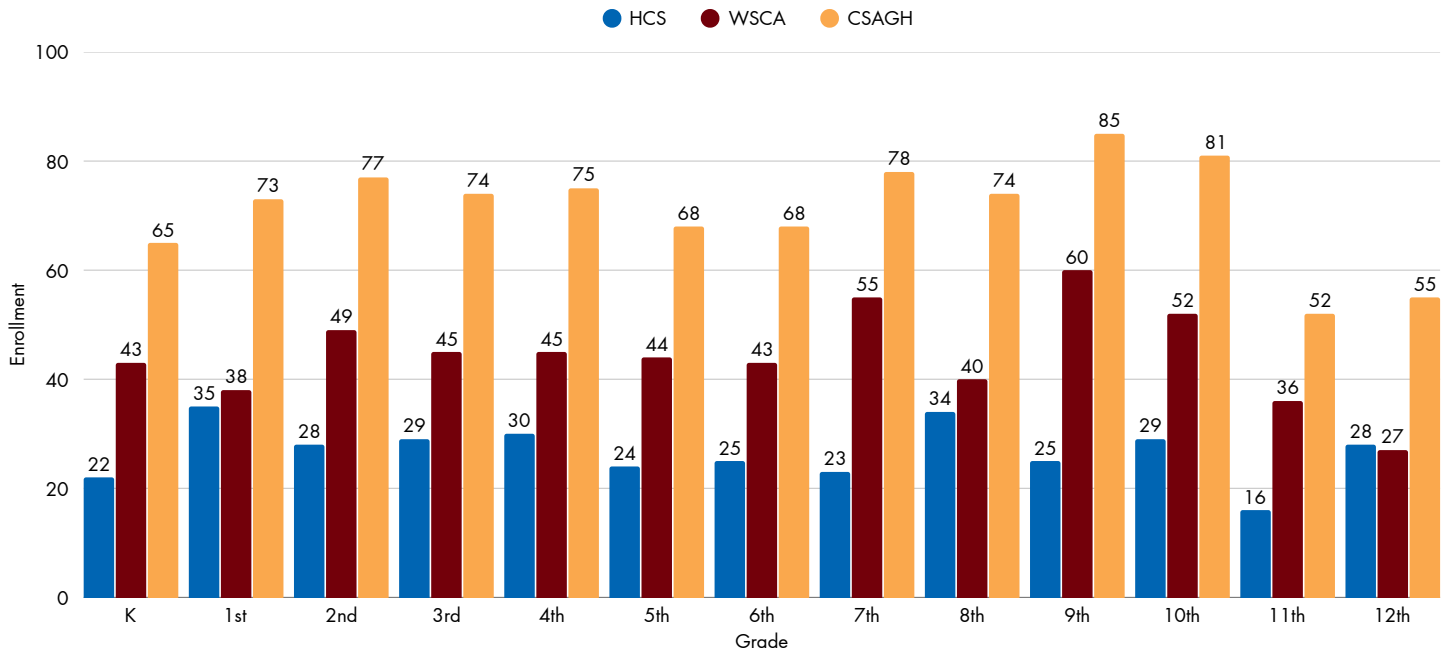

Our Growing Community

Since 2019, CSAGH schools have seen a combined 50% increase in enrollment. Enrollment growth enables us to enhance academic programs, invest in faculty, improve facilities, and increase access to other opportunities. Most importantly, it allows us to provide more students with an education that prepares them to be leaders who impact the world for Christ.

Enrollment Growth

Students by Grade Level 2024-2025

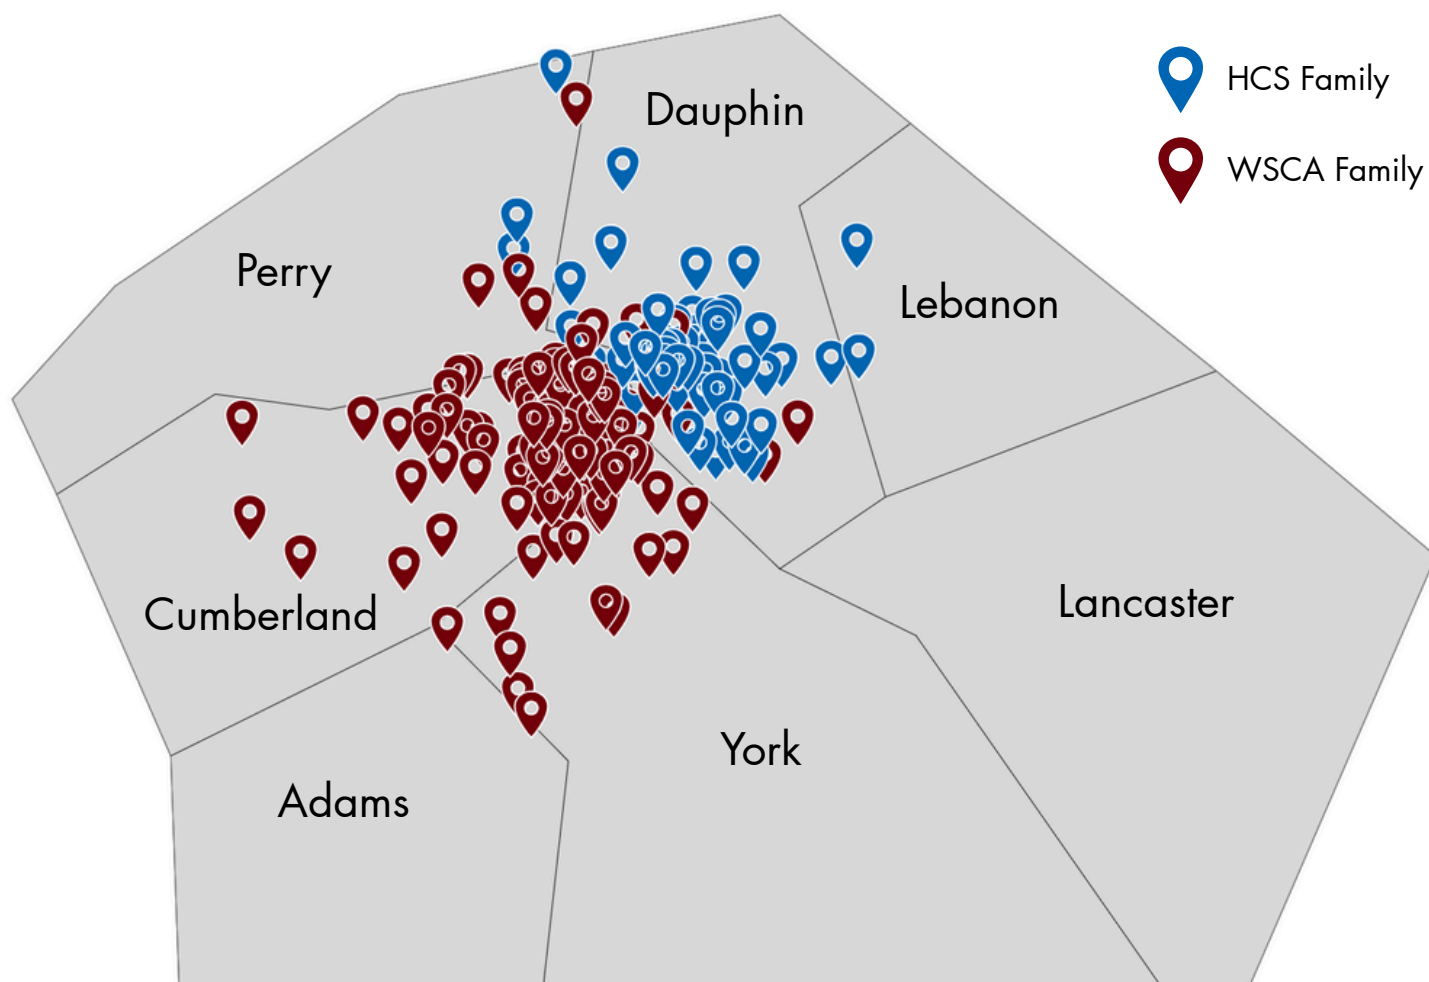

Pre-K Partners

Last year, CSAGH began a Pre-K Partnership with several preschools in the Greater Harrisburg Area, offering exclusive benefits to families with children at our partner preschools. This partnership provides resources that support a smooth transition into Kindergarten at HCS or WSCA. We are excited about the program's impact and look forward to expanding it.

- Mountainside Preschool (Dillsburg and Mechanicsburg)
- Early Childhood Center at Country & Town Baptist Church (Mechanicsburg)
- Joy Center (Camp Hill)
- Trinity Preschool (Camp Hill)
- Little Lambs Preschool (Harrisburg)
- Grace Christian Preschool (Hummelstown)

Serving Families Across Our Region

Families across six Central Pennsylvania counties choose CSAGH schools, united in their commitment to Christian education that sharpens minds, deepens faith, and develops gifts.

Student Life Highlights

The communities at HCS and WSCA have a lasting impact on students' lives. Our success as schools depends not only on academics but also on the strength of the relationships between students and between students and faculty. By God's grace, we have continued to see our school communities thrive and extend their reach to serve the broader Harrisburg area through the Day of Service, field trips, and internships. Our community is unapologetically Christ-centered, so we intentionally build times into the year for spiritual development, such as weekly chapel and Spiritual Emphasis Retreats.

Spiritual Emphasis Retreats

In September, students in 5th–12th grades participated in Spiritual Emphasis Retreats. The retreats utilize an experiential learning format to encourage and challenge students spiritually. Students and faculty members from HCS and WSCA participate together in a fun team activity designed to teach a particular spiritual principle.

130
CHAPEL SERVICES
ACROSS CSAGH

Chapel is a key aspect of our student life as a community dedicated to living for the glory of God. Students have their own weekly chapel time to facilitate thoughtful consideration of Christian topics. We also have several combined all-school chapels throughout the year where we gather as a school community to worship our Creator.

HARRISBURG CHRISTIAN SCHOOL

Senior Mission Trip

HCS seniors served in Costa Rica with Joshua Expeditions for their senior class trip. They enjoyed time together serving with local churches doing VBS and work projects.

Spirit Week

Each year, HCS students participate in Spirit Week. Students get to dress in their favorite costumes and attire to match each day's theme. The dress code varies from Wacky Wednesday to Crazy Hair Day to Pajama Day, and more! Students love participating and brightening the dark winter days with their smiles and laughter.

Andrew McClinton

Andrew McClinton competed with other saxophonists throughout our region of Pennsylvania and won a spot in the PMEA All-State Jazz Ensemble!

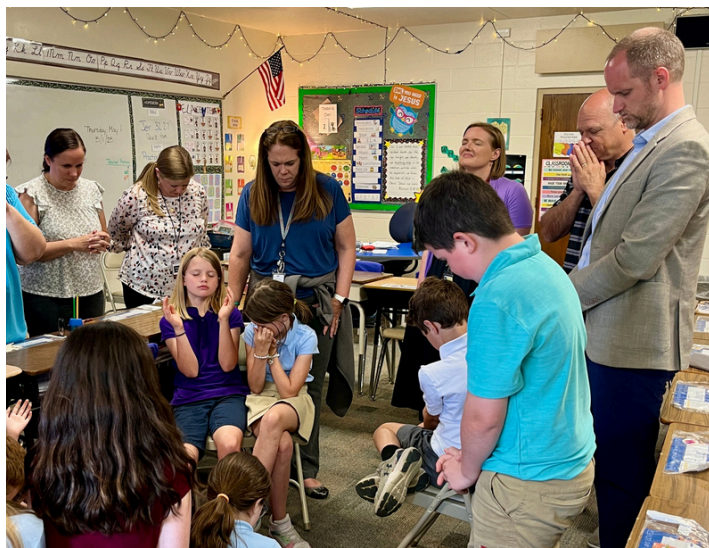

See You at the Pole

The rain didn't stop the HCS community from gathering for See You at the Pole! It was a powerful time of prayer for our country, community, and school.

Liberty University Chamber Singers

The Liberty University Chamber Singers visited WSCA and treated our middle and high school students to a wonderful performance. Choir students also had the opportunity to sing for the Chamber Singers, receive feedback, and even join them for a final performance.

National Day of Prayer

In honor of National Day of Prayer, Mrs. Bussom welcomed parents and administrators to join the 3rd graders in prayer. Together, they lifted up missionaries, our nation, those who don't yet know Jesus, and more. The time concluded with a powerful moment as students gathered around our school leadership to pray over them.

100th Day of School

WSCA elementary students celebrated the 100th day of school with a parade, activities, and made 100th day of school soup. Students celebrated being 100 days smarter, 100 days of friendships, 100 days of praying for one another, 100 days of being goofy and laughing with each other, and 100 days of loving and caring for each other.

Highway Cleanup

WSCA's National Honor Society did their part to keep our community clean by picking up trash along our designated adopted section of Route 15.

Joseph and the Amazing Technicolor Dreamcoat

In March, Harrisburg Christian School performed *Joseph and the Amazing Technicolor Dreamcoat*. The musical retells the story of Joseph from the book of Genesis, highlighting God's faithfulness as Joseph journeys from betrayal and hardship to forgiveness and restoration.

Congratulations to the Girls Varsity Basketball Team, who qualified for the District III Playoffs!

Eli Stargel Scores 1,000 Points

Eli Stargel reached a major milestone by scoring his 1,000th career point. He finished his high school basketball career with a total of 1,015 points.

Boys Track & Field Champions

The Knights Varsity Boys Track and Field Team celebrated many wins during the spring season, including CCAC and MACSA championship wins.

Varsity Boys Volleyball Success

The Varsity Boys Volleyball Team made history with several achievements. They secured the program's first-ever win, went on to record their first 10-win season, and qualified for the CCAC playoffs for the very first time. Their success continued as they also earned a spot in the District III playoffs.

Middle School Tournament Win

The Knights Middle School A Boys and A Girls Basketball Teams both won the Conestoga Christian School Tournament.

River RIVALRY

In 2025, we held our first-ever CSAGH River Rivalry events! In January, the Bobcats and Knights faced off in seven exciting basketball games. Then in March, the rivalry continued at Messiah University's campus, where the Girls Varsity Lacrosse and Boys Varsity Volleyball teams battled it out. We can't wait to build on this new tradition and see which school will claim the CSAGH boat oar next!

Summer Professional Development

While students were on summer break, CSAGH teachers and administrators invested their time in professional development, preparing to return to the 2025–2026 school year with new skills and insights. Professional development is a key part of the 2023–2026 CSAGH Strategic Plan, particularly through the “Develop Our Faculty and Staff” goal, which emphasizes three priorities: retaining teachers to enhance the classroom experience, growing potential leaders, and supporting ongoing teacher development.

Over the summer, faculty and staff attended conferences and trainings such as the CESA New Principals Institute, NAIS Institute for New Heads, Making the Leap Teacher Symposium, and the Herzog Foundation Institute. Teachers also pursued professional growth through Act 48 credits, ACSI Teacher Certification, ACSI Christian Philosophy of Education Certification, Capital Area Intermediate Unit Continuing Education Training, and more.

“One of our strategic priorities is to develop and retain our teachers and staff. By providing professional development through further education, workshops, or multi-year training, we invest in our employees, grow our team, and enhance the student experience. A side benefit is finding future leaders in-house, and preparing them to be our next generation of school leaders.”

– Mark Seymour,
CSAGH President

School Administration '25-'26

HARRISBURG CHRISTIAN SCHOOL

Matt Perdue: Head of School

Matt Perdue (M.Ed. School Counseling – The University of West Alabama, B.S. Mass Communication/Media Studies – University of Montevallo) has an extensive education background, recently serving as Head of School at Dakar Academy in Senegal.

Jo Ellen Bechtel: Elementary Principal

Jo Ellen (B.S. Elementary Education – Grace College) serves as the HCS Elementary Principal. She has been at HCS for 24 years. She has taught 4th and 5th grade and served as Assistant Elementary Principal.

Jennifer Garvey: Middle and High School Principal

Jennifer Garvey (M.Ed. School Psychology and Secondary Counseling and B.S. Biology – Bucknell University) is an HCS graduate with experience as a School Psychologist with Cumberland Valley School District. Her PA certifications include School Psychologist, School Counselor, and K-12 Principal.

WEST SHORE CHRISTIAN ACADEMY

Elizabeth (Beth) Tippet: Elementary School Principal

Beth Tippet (M.Ed. Teaching Technology – Lesley University, M.A. School Administration – University of North Carolina at Pembroke, B.S. Elementary Education – East Carolina University) has helped to start a church-based Christian school, worked as a curriculum and instruction coordinator, and been involved in education for over 25 years.

Carolyn Oplinger: Elementary School Assistant Principal

Carolyn Oplinger (M.Ed. School Counseling and B.A. Biblical Studies, emphasis in Professional Counseling – Lancaster Bible College) is a WSCA graduate. She holds PDE Level II and ACSI Professional Level Certifications in School Counseling.

Brett Bonnema: Middle and High School Principal

Brett Bonnema (M.Ed. Educational Leadership and Administration – Calvin University, B.A. Physical Education – Calvin University) was previously a Principal and Head of School in Indonesia, after 10 years of teaching at Covenant Day School in Charlotte, North Carolina.

Rebecca (Becky) Crone: Middle and High School Assistant Principal

Becky Crone (B.S. Education – Penn State University) has over 20 years of experience in education. She has faithfully served at WSCA for over 10 years as a Learning Support Teacher and as an Instructional Coach.

CSAGH Leadership '25-'26

BOARD OF DIRECTORS

Dennis Cullen Esq.

Chair of the CSAGH Board of Directors

Dennis Cullen Esq. (J.D. – Widener University School of Law, B.A. Political Science – Temple University) is the Chief Operating Officer and a member of the Board of Directors, Cipriani and Werner.

Matt Campbell

Vice Chair of the CSAGH Board of Directors

Matt Campbell (Ed.D. Educational Leadership – Millersville University, Principal Certification – Penn State University, M.Ed. – Shippensburg University, B.A. – Lebanon Valley College) is the Director of Learning Technologies at the Milton Hershey School.

Nick Hansen

Treasurer of the CSAGH Board of Directors

Nick Hansen (B.S. Finance – Bryan College) is a Financial Advisor, CFP, for the Turnbridge Group.

Brandon Moist

Secretary of the CSAGH Board of Directors

Brandon Moist (B.S. Finance – Penn State University) is the Chief Sales and Marketing Officer for Diamondback Covers.

Brian Gibson

Brian Gibson (B.B.A. Business Administration – Salisbury University) is the owner of six Chick-fil-A locations, including Mechanicsburg, Carlisle Pike, Hersheypark, and university locations.

Aleta Serrano

Aleta Serrano (B.S. Nursing – New York University) is the Divisional Board President of Midwest Food Bank of Pennsylvania.

Stacy Melton

Stacy Melton (M.S. Management, B.S. Business Communications – Eastern Nazarene College) is a stay-at-home mom and has a background in higher education administration. She most recently worked at Seton Hall University School of Law where she led the recruitment team for online and global compliance programs.

Katie Muscalus

Katie Muscalus (M.Ed. Early Childhood Education, B.S. Elementary and Special Education – Bloomsburg University) has worked as a kindergarten and early intervention teacher. In addition to being a homemaker, she also provides administrative support to her family's financial management business.

Jenny Nace

Jenny Nace (B.A. Psychology – Messiah University) is a Grant and Report Writer – Partnerships with Operation HOPE and has worked with nonprofits in areas such as human services, human resources, development, communications, and grant writing.

Ivan Prabhakher

Ivan Prabhakher (B.S. Civil Engineering – University of Pittsburgh) is a Civil Engineer/Project Manager with SAI Consulting Engineers, Inc. He attends Christ Community Church, where he is on the Council of Leaders and serves on the Operations Team.

Robert Innerst

Robert Innerst (M.B.A. – York College of Pennsylvania and a B.S. Applied Mathematics – United States Naval Academy) is a wealth advisor with HSI Private Wealth Management Company. Robert was formerly an infantry officer in the Marine Corps.

EXECUTIVE LEADERSHIP

The Executive Leadership Team provides oversight and direction for the Christian School Association of Greater Harrisburg and its two member schools: West Shore Christian Academy and Harrisburg Christian School.

Mark Seymour: President of CSAGH

Mark Seymour (M.S. Nonprofit Management – Eastern University, B.A. English Literature – Messiah University) oversees the Christian School Association of Greater Harrisburg (CSAGH). Mark has previously worked for Delaware County Christian School, Malone University, Milton Hershey School, and Eastern University. He has focused his career on growing schools through enrollment and retention efforts, as well as working collaboratively with other school leaders to achieve strategic initiatives.

Paul Beardmore: Vice President of Educational Programs

Paul Beardmore (M.A. History and B.S.Ed. Social Studies – Shippensburg University) came to WSCA as a history teacher in 2015. He began serving in the role of WSCA Middle and High School Principal in 2017 and was appointed Vice President of CSAGH in 2021. Besides his roles with CSAGH and WSCA, Paul has also served as an adjunct professor at Shippensburg University, an Advanced Placement Reader for the College Board, and a grader for the International Baccalaureate. He serves on the elder board of his church. Paul and his wife Rebecca are both proud members of WSCA's Class of 2004. Paul completed the Van Lunen Center Executive Management in Christian Schools Fellows Program in 2024.

Daniel King: Chief Financial Officer

Dan King (B.S. Accounting – Houghton University) spent 25 years in Treasury and Accounting at Harsco Corporation before joining CSAGH, where his last position was Assistant Treasurer. Prior to that, he worked for Dauphin Deposit Bank and KPMG. He is a graduate of Houghton College, and he and his wife, Jenny, have three children (all WSCA graduates).

Mary Beth Gilge: Chief Enrollment Management Officer

Mary Beth Gilge (B.S. Psychology – University of Arkansas) began working at WSCA as Admissions Coordinator in 2017, before moving into the roles of CSAGH Admissions Director and then Chief Enrollment Management Officer. Prior to working at CSAGH, Mary Beth worked in corporate recruitment for the Keller Center for Corporate Learning and in pharmaceutical sales for Shire US. Mary Beth and her husband Jon have two children who are students at WSCA.

2023-2026 Enhance and Expand CSAGH Strategic Plan

By Mark Seymour, CSAGH President

I can't believe that the second year of our three-year plan is already complete. The plan is a catalyst that takes our schools forward, moving beyond strengthening to innovation. Why this focus? To provide an excellent Christ-centered education, we need to expand our programming to include more hands-on, collaborative, and technology-based programming. This will best fulfill our promise to prepare students to be leaders who impact the world for Christ.

As a reminder, the 2023–2026 Enhance and Expand Strategic Plan has four strategic areas of focus.

Innovation

We are working to innovate our curriculum, adding more technology and hands-on experiences, which infuse 21st-century skills that colleges and employers are looking for in our graduates. The outcome of this effort will be a maker space at all campus locations, a K–12th technology curriculum, and one device for every 6th–12th-grade student (1:1).

Connection

Students who are involved and connected are more likely to excel and benefit from our academic program. Connection is also a focus of our spiritual life program as we point students to Jesus and give them the opportunity to increase their connection to their faith.

Enhance and Expand

As our schools grow and we enroll more students and families attracted to our Christian mission, we are expanding facilities through the 2023–2026 Enhance and Expand Capital Campaign. The campaign goal is \$9.625 million. We are progressing well toward this goal with more than \$6.4 million in pledges and donations received so far.

Develop Our Faculty and Staff

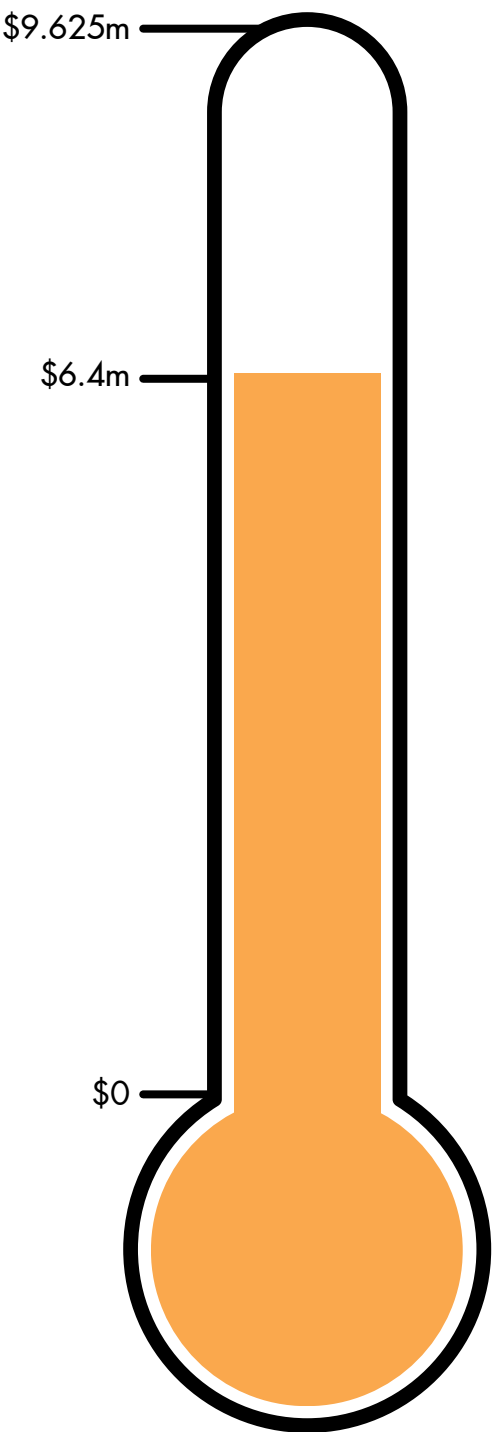

Innovation requires teacher training in new skills. We are offering more professional development, advancement opportunities, and leadership options for our teachers. We are also increasing support for all employees so that we can retain our incredibly effective teachers and administrative teams.

At the conclusion of the 2024–2025 School Year (end of the second year of the plan), look at what has been achieved! Praise the Lord!

Innovate our Curriculum and Programs	Connect Students to Their School and Faith	Enhance Facilities, Expand Enrollment	Develop our Faculty and Staff
All HCS 6th–12th-grade students have a personal computing device (1:1), as well as all WSCA 9th–12th-grade students. WSCA 6th–8th grade has expanded computer cart access.	Summer camp participation increased 169%, with 197 students attending. The number of camp weeks doubled from 6 to 12.	Giving to the 2023–2026 Enhance and Expand Capital Campaign increased to a total of \$6.4M toward our campaign goal of \$9.625M	We expanded and evaluated our New Teacher Training Program to improve both effectiveness and teacher retention. Instructional coaches are now in place at both schools – supporting teachers navigating their first three teaching years
Juniors and seniors at both schools have access to dual enrollment courses funded by CSAGH. Together, they earned 859 college credits, representing a 23% increase over the previous year.	All students were involved in a service opportunity on-site or in the surrounding community.	We reached our highest ever enrollment at 925 students in August 2024.	For the fifth consecutive year, 100% of teachers and staff received a pay increase. This represented a budgeted investment of \$250,000.
Four teachers were identified as “innovation early adopters.” They are receiving training in makerspace technology and are becoming STEM leaders at CSAGH.	74% of WSCA students and 85% of HCS students participated in activities outside the classroom. Student involvement beyond academics is a key to belonging and a strong indicator of a positive school culture.	We added a fourth-grade class at HCS. At WSCA, we expanded middle and high school classrooms by adding a new classroom at the front of the school building.	8–13 teachers are furthering their education (depending on the semester) through our Messiah Pathways Partnership. In addition, nine WSCA and eight HCS teachers and administrators completed trainings outside CSAGH to deepen their expertise in selected areas.
		Partnerships for the Future - We created partnerships with six preschools, establishing our schools as a preferred site for kindergarten enrollment. We also began working closely with Scholé, a classical homeschool co-op, Logos Harrisburg, and Black Pastors United for Education to strengthen collaboration in support of Christian education in the area.	During the campaign, professional development efforts enabled us to promote six teachers, coaches, and staff members into leadership positions as part of our commitment to growing our own leaders and investing in our employees.

Capital Campaign Update

We are now two years into the three-year 2023–2026 Enhance and Expand Capital Campaign. This \$9.625 million initiative is designed to expand space at both WSCA and HCS, providing room for enrollment growth and innovative new programming. We are excited to share that we are already 66% of the way toward our goal!

We are looking for additional support to reach our goal. For the latest updates, visit our website and consider supporting the expansion of facilities at our two schools!

HCS

WSCA

CSAGH

HARRISBURG CHRISTIAN SCHOOL

We are committed to enhancing student safety and STEM/Technology education while also expanding our classroom space. At Harrisburg Christian School, we plan to achieve this strategic initiative in two ways. First, we will build a connector between the gym and the school building, featuring a double-entry enhanced safety entrance. Second, we will add a new classroom wing featuring a Vo-Tech makerspace and three classrooms.

WEST SHORE CHRISTIAN ACADEMY

CSAGH and WSCA have purchased a new location – the former Delta Dental Pennsylvania Headquarters in Mechanicsburg – for a state-of-the-art high school building.

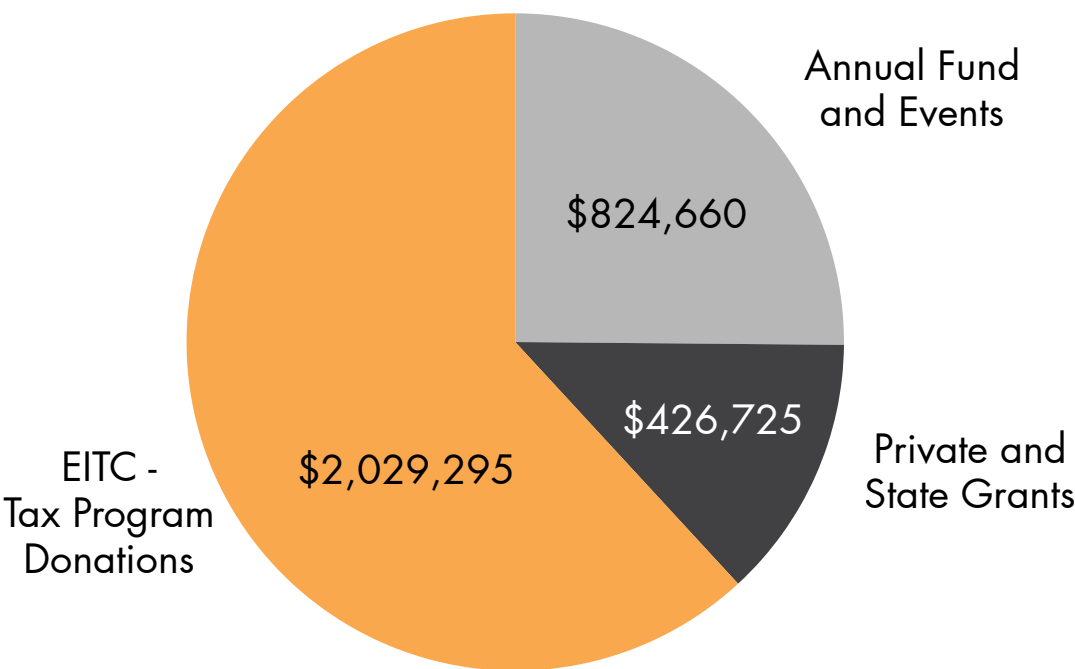

The future WSCA High School Campus will enable us to serve more students and provide the space needed for excellent, Christ-centered education. We plan to impact central Pennsylvania for Christ while providing a top-notch high school.

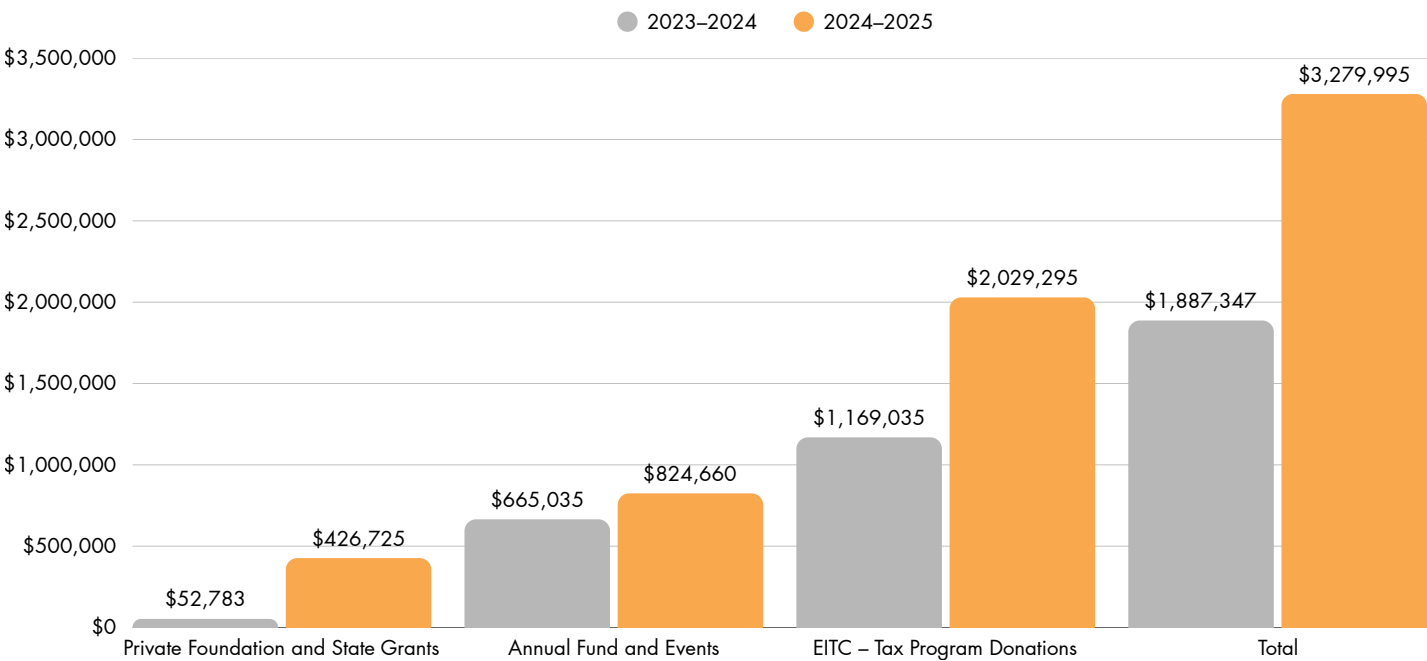

Your Generosity at Work

Thank you for your support! We had a record year for fundraising income, and we cannot thank each of our generous donors enough for your support!

Total Operational Giving for 2024–2025

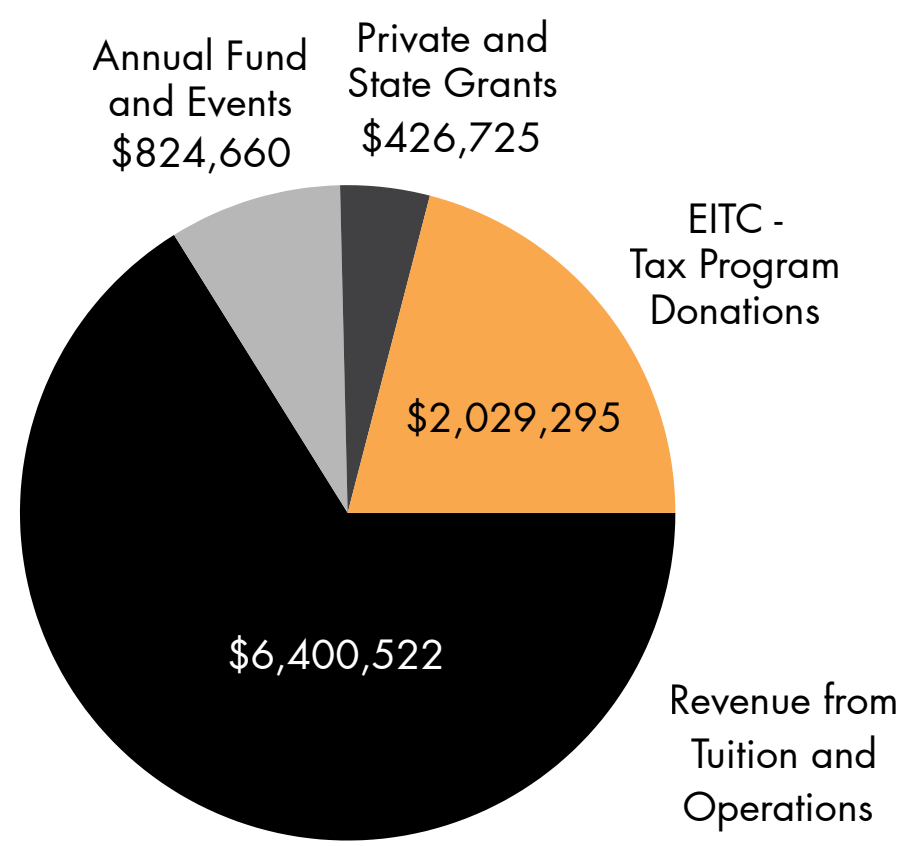

Total giving was up 73% toward the annual operational budget.

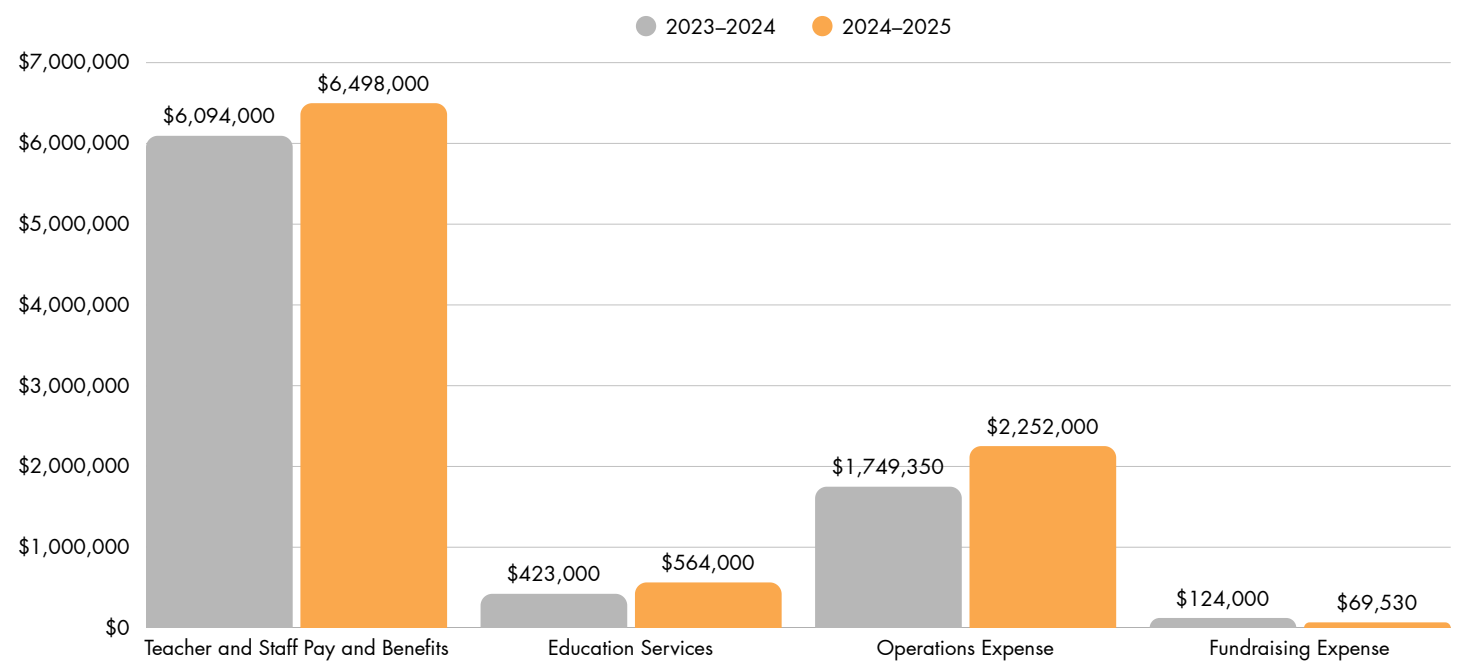

2024–2025 Revenue

CSAGH total revenue exceeded \$9 million for the first time.

Higher revenue provided additional funds to increase teacher and staff pay and to cover operational expenses for the new WSCA high school building purchased in 2024–2025.

Run to Advance Christian Education (RACE)

The Run to Advance Christian Education (RACE) is CSAGH's largest annual fundraiser. We are grateful to the family, friends, and students who come together each year to support academic programs, financial aid, student opportunities, and more at HCS and WSCA.

RACE is a peer-to-peer event where students invite friends and family to sponsor them. It's a fun way for students to personally invest in their school while helping share the impact of Christian education. Join us for this year's RACE: HCS on October 21 and WSCA on October 22.

Scan the QR Code to learn more about the 2025 RACE or to donate:

This summer, we welcomed 197 campers across 12 camps at HCS and WSCA. Campers discovered new skills, formed meaningful friendships, and enjoyed memorable experiences through a variety of camps ranging from sports and arts to STEM. We are already looking ahead with excitement to summer 2026 and can't wait to offer another variety of engaging camps for students in our community.

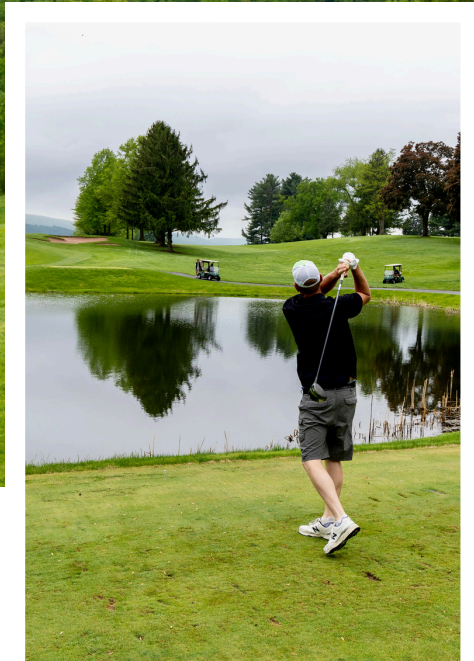

Don't miss the summer fun in 2026!

Details coming spring 2026

CSAGH Golf Classic

Each year, business leaders from the community gather for the CSAGH Golf Classic at Harrisburg Country Club. This event raises funds that help us continue to sharpen minds, deepen faith, and develop gifts as we prepare students to impact the world for Christ. In May, over 100 golfers joined us to demonstrate their commitment to the next generation of students.

Save the Date for the 2026 CSAGH Golf Classic: May 4, 2026

Thank you to the generous sponsors of the 2025 CSAGH Golf Classic!

Turn Your PA Income Tax Dollars into Student Scholarships

Through Educational Improvement Tax Credits

How it works:

You will make an upfront donation of \$1,000 or more, up to the amount of your annual state taxes. When you file your taxes in the spring, you will receive a 90% refund of your donation from Pennsylvania and a federal tax deduction.

Donations are made through a Special Purpose Entity, a class of charity that exists solely to obtain PA Education Improvement Credits (EITC/OSTC). There are a limited number of credits available, so be sure to apply early.

How the money is used:

100% of your donations provide financial aid to Harrisburg Christian School or West Shore Christian Academy students who qualify for assistance based on their family's income.

Who qualifies?

LLC, Partnership, S-Corp, or Individuals with a PA tax liability of \$1,000 or more.

Scan here to learn more about the EITC Program:

\$2,029,295

TOTAL EITC DONATIONS

2024–2025 was a historic year for EITC and one to celebrate. EITC enables us to advance our schools and remain affordable to families who need financial aid, while we increase teacher pay and expand opportunities for our students.

We exceeded last year's EITC by \$800,000, an increase of more than 60%. For this, we are thankful to the Lord for his provision and for each person who participates!

CSAGH partnered with RedefinED to support the recruitment of more first-time EITC participants.

There are still many individuals and businesses who could participate, and we need to continuously improve our ability to expand this program within our community.

Partnership With a Purpose

In 2024, CSAGH launched its Business Partner Program, welcoming 25 businesses. These partnerships provide meaningful impact in the lives of more than 925 students across two campuses while offering valuable exposure to our partners. Business partners enjoy consistent visibility through our campuses, website, and social media, keeping their brand in front of the loyal CSAGH community. This visibility also extends beyond our families to church members, visiting teams, and community guests who regularly participate in CSAGH events and use our facilities.

Will you give this fall?

We cannot do this without you! The Fund for CSAGH bridges the gap between tuition and our cost to operate, provides financial aid for families with financial need, and allows us to increase pay for teachers and staff. We are seeking to raise \$500,000 this year. Will you support us?

Other Ways To Support Us:

- Pray for CSAGH: We welcome your prayers as we serve our students and help them walk with Jesus.
- Refer a Student: Those who know us best refer the best students. Contact our admissions offices for resources to share about our schools.
- Refer an Employee: Prospective employee referrals also help us find excellent teachers and staff. Encourage those you know to apply for our open positions listed at www.csagh.org/employment.
- Educational Tax Credits: Take control of your PA state taxes by using those dollars to fund need-based student scholarships. Applying for credits is a simple three-step process.
- Run to Advance Christian Education (RACE): October 21 (HCS) and 22 (WSCA)
- CSAGH Golf Classic: May 4, 2026: Learn more at www.csagh.org/support-csagh/golf-classic

Your gift makes our ministry possible. www.csagh.org/give
