Principal – Sean Browning sbrowning@riversideunified.org

Dear Earhart Parents and Guardians:

We are excited to announce that we will be offering both before school and after school tutoring opportunities for students at Earhart beginning this week on September 17th. Our before school tutoring (The Breakfast Club) will meet on Tuesdays and Thursdays from 7:15-7:45 AM. After school tutoring is also held on Tuesdays and Thursdays from 2:30-3:30 PM. Morning tutoring will include subject specific tutoring with teachers in Math and ELA. Afternoon tutoring will include subject specific tutoring with teachers in Math, ELA, Science, and Spanish.

Both of our tutoring programs are being run through our Primetime Program to ensure that all our students that are here early or remain after school are safe and accounted for. Therefore, it is required that parents complete the ***25-26 After School Intervention Application*** in order to participate in our tutoring programs. **However**, this does not mean that you are signing up for or agreeing to be a part of our daily Primetime After School Program. The application process is simply a way for us to sign-in and sign-out students when they come to tutoring. In addition, the completion of the application does not mean that your student is required to attend every tutoring session that is offered. ***If you feel your student would benefit from attending tutoring either now or anytime during the remainder of the school year, I encourage you to fill it out and have your student turn it into the office.*** Once the application is on file, we can add them to the tutoring roster and they can come any time they feel they need additional help.

We appreciate your support to ensure your child and all of our students are safe and accounted for while they are on campus for additional academic support. If you have any questions, please feel free to reach out to me with any questions.

Thank You,

Sean Browning
