Resources & Services

Legal Services

We provide accessible, high-quality legal services and know your rights education so individuals can make informed decisions and secure safety and stability for their families.

- **Emergency Preparedness Plans:** Families receive support to prepare legal protections, name guardians for their children, and keep important records ready in case of emergencies.
- **Know-Your-Rights Education:** We offer community workshops and clear guidance to help the community understand and exercise their rights during encounters with ICE or law enforcement and in situations involving detention or deportation.
- **Immigration Legal Screenings & Consultations:** We provide regular immigration evaluations to determine eligibility for immigration relief.
- **Removal Defense Support:** We provide referrals to trusted legal representation for individuals at risk of deportation.
- **Citizenship Classes:** Interview coaching and study groups.
- **Notary Services:** Essential for applications and court submissions.
- **Partnership Clinics:** Host free legal clinics with law firms, law schools, and accredited representatives.
