6. No one will change rooming assignments without the explicit permission of the head chaperones. This permission will only be granted in the most unusual circumstances.

7. Rooming Expectations:
 - The head chaperone will establish an overnight curfew on each night of the trip. Curfew will be decided each day by the chaperones depending upon the arrival time back at the hotel.

8. Students will follow all chaperone rules and procedures while on the trip.

Keep the group together when feasible. At times and depending on context, this may not be possible. In those cases, apply common sense, express your expectations for students clearly.

Establish guidelines for student movement on the trip that make sense given the age of the students and the area that you are in, always err on the side of student safety.

Students should never be allowed to go somewhere outside the hotel alone. Always in a group. Double check to verify that all students are accounted for whenever you leave a venue.

9. If a student becomes ill or has an accident during the trip, he or she should immediately seek assistance from a chaperone (always available). Students will be briefed on emergency procedures.
 - **Immediately notify parents of any illness or accident. Collaborate on a medical action plan if needed. Notify the administrator as soon as possible.**

10. If your child is being picked up by someone other than his/her parent, a photocopy of the "guardian's" driver's license is required before departure of trip.
