FAQ's

What is Title 1?

Title 1 is funding that is provided for schools to support their student population, if they have a large percentage of low-income students. This is provided through various federal laws. The full Slide show shown in September is available on our website.
Quarterly newsletter will also be posted there.
https://stanford.lbschools.net/programs/title-1-information

How are we using the funds?

Stanford Title 1 funds are being used to provide support to our students' physical and emotional well-being through an additional 50% counselor Mr. Winston. In addition, funds are used for academic support of students through Intervention club, Restorative Justice training, Co-teaching support, and small group instruction for ELPAC testing.

What can I do to support my student's success?

- Make sure they attend school every day unless they are sick.
- Schedule appointment for non-student days such as November 3 or during breaks in school
- Attend parent group opportunities such as ELAC, SSC, and Parenting classes
- Become paired on Canvas Parent to your student's Canvas
- Become a VIPS to attend field trips and volunteer in school

If I have questions and concerns?

General parent support: Parent facilitator Amie Chikami achikami@lbschools.net
Emotional support: Counselor or Wellness Center

Annual Verification - Thank you!

92% of our families completed their annual verification! This will help ensure proper funding for our school next year.

Canvas Pairing

Did you know that students who have a parent monitoring their work completion and progress through Canvas have a higher GPA? Download the Parent-Canvas app today and choose Long Beach Unified - Parent as the school. Get the pairing code from your students' account under settings or email achikami@lbschools.net.

VIPS application

VIPS stands for Volunteers in Public Schools. Get a TB test and sign up using the application at lbschools.net

District Parent Support

We have many opportunities for parents to engage with other parents and district leadership to find ways to support your child. Go to lbschools.net and search parent engagement.

Upcoming Parent District Meetings
