### *Cato's Corner*

Welcome to the 2014 - 2015 school year at Seminole Elementary. We are honored that you have given us the opportunity to partner with you in the education of your children and we are excited about the learning adventures that await them at Seminole.

Each of our staff members has spent many hours preparing for the new school year. Here at Seminole Elementary, we believe that every child can learn at high levels and we will do whatever it takes to make that happen. One of the essential components of this is a supportive school wide learning environment. To create this environment we work every day on creating a safe and caring culture that is focused on learning for all of us, students, staff and families alike.

I look forward to getting to know each of you and your children over the coming year. Please know that I have an open door policy and welcome visits from parents. If you feel there is something I need to know about your child or if you have concerns, please feel free to call, email or drop by the office and I will be more than happy to talk with you.

I want to thank you in advance for your participation in your child's education. Together we will ensure the academic and emotional growth of each and every child.
