## National School of Character

Character Kids for September 2014

### Mrs. Cato's Corner

Wednesday, Oct. 1, was our first day of Enrichment Clusters! Students got to meet their facilitators and the friends who will be joining them for the next ten Wednesday mornings. Enrichment Clusters are a time for your child to meet with other students and adults (staff and volunteers) who share an interest in a topic and want to learn more about it. Topics range from Hand Talk (sign language) to CSI (forensics) to Trash to Treasure (recycling). There are 27 clusters that will meet each Wednesday from 8:45 – 9:45 am beginning October 8 for ten weeks. Clusters are mixed grade levels; what students have in common is an interest in the topic. We are looking forward to a great time of learning and fun! We welcome and need parents and other volunteers who share an interest in the Enrichment Cluster topics offered. To see a list of the clusters, please go to our school website. [www.pcsb.org/seminole-es](http://www.pcsb.org/seminole-es)

### No Halloween Costumes at School

In an effort to maintain the educational integrity and minimal distractions in the classroom setting, 1<sup>st</sup> – 5<sup>th</sup> grade students are not permitted to wear costumes to school. Halloween costumes may only be worn by Kindergarteners during the Character Costume Parade. Kindergarteners will need to have a change of clothes to change into after the parade.

### Great American Teach-In

The Duke Energy Great American Teach-In is a part of Pinellas County Schools' annual American Education Week celebration. It has been sponsored by Duke Energy since 1994, and this year it will be occurring on Wednesday, November 19th. This educational event is a special opportunity for members of the community to participate in speaking to students for an hour, a few hours, or the entire day! Participants are able to provide a personal perspective on their career choice, hobbies, or life experiences. We are seeking speakers for this event in order to make it a success at Seminole Elementary! Whatever the length of your visit, you can make a difference! If you are interested in participating in this rewarding event, or you would like more information, please contact Melanie Blanchard at 547-7668 or [blanchardmel@pcsb.org](mailto:blanchardmel@pcsb.org).
