

Seminole Times 2013-14

National School of Character

Be sure to access the newsletter online by going to our website:
www.seminole-es.pinellas.k12.fl.us

Please read the newsletter for school events, menu, student pictures, box top winners; character kids, PTA news, Bits and thank you notes and much-much more!

School Hours Monday through Friday 8:35 – 2:35

Earliest Drop off Time: 8:05

Breakfast is provided FREE for all students by Pinellas County Food Service.

Breakfast Service is from 8:05 – 8:30.

Parents please do not have your children arrive on campus prior to 8:05 as there is no adult supervision provided until that time. This includes drop off in the church parking lot.

Kindergarten "GRADUATION"

JUNE

4th Fifth Grade Graduation

LAST DAY OF SCHOOL EARLY DISMISSAL

SCHOOL WILL BE DISMISSED ON JUNE 4 AT 12:35 FOR ALL GRADES

FROM THE CAFÉ

Please pay for school lunches on time. We are not allowed to make lunch loans during the last week of school, any monies left in a child's account at the end of the school year will roll over to next year if your child stays enrolled in a Pinellas County school for the upcoming year.

Thank you for another great year at Seminole Elementary and we look forward to seeing you next year.

Have a safe and happy summer.

Donna Dunn – Café Mgr.

727-545-6514

**SEMINOLE ELEMENTARY
NEARS 100 YEARS!**

We are very excited about the upcoming Centennial Celebration of Seminole Elementary. In 2015, Seminole Elementary will celebrate its one hundredth year as a continuously operating Pinellas County School. Seminole is now the oldest elementary in Pinellas County! We are making plans for a big celebration on May 2, 2015. If you would like to help with planning the celebration or if you have pictures or stories of the history of our wonderful school you would like to share, please contact me. We are working with the City of Seminole and other Seminole organizations to plan a city wide celebration. Make plans now to attend on May 2, 2015!

Cato's Corner

Dear Families,

Thank you so much for your support of Seminole Elementary throughout this school year. The end of the year is always a bittersweet time as we celebrate all of the accomplishments your children have made over the year while at the same time knowing some of our students are moving on to new adventures in their educational journey.

We want to say congratulations and best of luck to our fifth graders as they move on to middle school. We know they will do well but we will miss them! Fifth graders come back and visit anytime as you will always be a part of the Seminole Elementary family.

To our students and families who are moving away to other places and other schools, thank you for being a part of our Seminole family. We wish you all of the very best in your new journeys. Remember you will always have a home here at Seminole, so keep in touch!

Make sure your children spend some time every day reading over the summer. This will pay big dividends next year. Students can use Ticket to Read throughout the summer. It's a really fun and powerful reading program. Encourage your child to read, read, read and win as many tickets as possible. Students may also continue to use ST Math through July. Teachers have assigned all of the grade level objectives so students may complete anything they did not get a chance to finish.

Have a wonderful summer filled with family, friends, and books! See you in August.

The school year ends on June 4, 2014. Pinellas County School policy does not allow us to send medication home with students or store it over the summer. Please arrange to come to school to pick up any unused medication, including inhalers and Epi-Pens. Any unclaimed medications will be disposed of on Wednesday June 4, 2014 at 03:00 p.m. without exception.

Mrs. Diane Cato, Principal / Miss Reva Faust, Assistant Principal

Phone: 727-547-7668 Fax: 727-545-6585

Mr. Ward Kennedy, Area 3 Associate Superintendent, 588-5023

Newsletter Coordinators: Mrs. Vainis & Mrs. Pope-Oriol

CONGRATULATIONS ON YOUR RETIREMENT

Lona Knellinger

Mrs. Knellinger began teaching in January, 1992, and has been at Seminole Elementary the entire time. When she started, Mrs. Knellinger taught students with Specific Learning Disabilities (SLD). She was excellent at determining the individual needs of a child and helping them develop strategies so they could reach their highest potential. Her care and gentleness helped many students, who had been stuck spinning their wheels, move forward to a brighter future. In the midst of her career, Pinellas County decided students no longer needed self-contained classes for SLD, and they moved those students into general education classrooms. Mrs. Knellinger never missed a beat. She enrolled in college, again, and took the courses necessary to teach students with emotional and behavioral disabilities (EBD). Her compassion and dedication led her to reach out to students with severe behavior problems, teach them strategies to control their emotional and anger issues, and focus on academic growth. The students with Mrs. Knellinger thrived. Non-readers began to read. They began to enjoy school. Their solid academic foundation enabled them to become lifelong learners. Beginning last year, Mrs. Knellinger also enlisted the help of her therapy dog, Bella. Having Bella in the room brings calmness. Student read to her, and she is always ready for a gentle hug for encouragement. In her 22 years at Seminole Elementary, Mrs. Knellinger has touched the lives of many students. The hard work, love, and dedication has provided these students with a good academic foundation, as well as strategies to work through problems, make good choices, and live a better life. The staff will miss her support and friendship.

Connie Cordisco/Gravelle

Seminole Elementary will never be the same without you! You have the best personality with children, they adore you. The evidence of this is the art they produce (especially the ones that depict Mrs. Gravelle, herself). You pull the best and most creativity out of Seminole Elementary students. The staff and teachers will miss you terribly. You always put smiles on our faces. Your humor keeps us going when we are faced with the challenges of our profession.

Amanda DeVega

Mrs. DeVega served as the Seminole Elementary Family and Community Liaison this year. Many of you got to know her through her role as volunteer coordinator. She also worked to bring more business and community support to our school and has done an outstanding job.

Mrs. DeVega is leaving this position to spend more time with her family. She will be really missed in the front office and throughout the school but, since her children are students here, we know we will be fortunate to still have her around!

Sandi Brand

Goodbye Mrs. Brand!!

It is the end of an era....after twenty one years of teaching, our beloved Speech teacher, Mrs. Brand, will be leaving Seminole Elementary. Officially, she is retiring, but as many of you know, she does not know how to "retire" and will be keeping herself busy - spending time with Mr. Brand, painting, traveling, writing a book and maybe even getting involved in medical research. Mrs. Brand will be missed by everyone here at Seminole as she is leaving a legacy of love and empowerment for every student she came in contact with in her many years here. Every child who walked through her door or had her come into their room were told they were "the best kids on campus" and she instilled in them confidence to be a success as a communicator and in life! So, if you see her around, give her a big hug and let her know she will be missed!
We Wish You the Best Mrs. Brand - We Love You and Will Miss You!!

Francine Clegg

We all love Mrs. Clegg! She has been an intricate part of our Kindergarten team for a number of years. Not only has she taught hundreds of students over the years but has touched the lives and hearts of those students' families. Although it is her time to move on to retirement and take time for herself and her family, she will always be remembered by her other family at Seminole Elementary.
Congratulations Mrs. Clegg! We love you! The Kindergarten Team and Seminole Elementary Staff

April Character Kids 2014

Kids have a group picture taken and put in the newsletter each month. Erica Martin of Authentic Martial Arts hands out magnet.

Battle of the books

Congratulations to **Mrs. Henkel's Hawk-Eye Readers** Battle of the Books Team. They came in 1st place in the Regional Semi-Finals and Finals and will represent Seminole Elementary at the district Battle. This is the Hawk-Eye Readers 2nd time representing our school at the district battle in the last 3 years. Thank you to Mrs. Dang who has coached the team for the last three years.

We are very proud of Isaac, Emily, James, and Gavin.

SES 3rd Place "Hawk – Eye Readers – we are very proud of you!

On May 22, **Arianna Birch** was honored at Pinellas Park High School by receiving an award for being the **"Yes I Can"** recipient. She received it for her hard work and motivation helping her to achieve great academic gains in 5th grade.

Her family, teacher, and the principal attended the ceremony we are all very proud of her.

Congratulations to the following students for achieving their Reading Counts Goals for 2013-2014 school year.

Call soon because these classes fill up fast!!

NEWS FROM THE ART DEPARTMENT

Congratulations
Angel Seenaught
her acrylic painting
"Daisies"

Her painting was accepted into the 2014-2015 Administration Art Show.

Angels work will be on display for one year.
Way to go Angel.

Mrs. Gravelle

Supporting Our School

VFW 9272

We wish to extend a Very Special Thank you to the VFW for all their "GENEROUS CONTRIBUTIONS" throughout the year. We are looking forward to another Great Year.

Home Depot

Seminole Elementary landscaping has never looked so good.
Thank you for your donations of plants and mulch and working on the landscaping.

Indian Rocks Baptist Church
Thank you for your donating bagels for Staff Appreciation Week.

Mr. Chuck Stewart

Thank you for donating the Greek salads for Teacher Appreciation Week and throughout the school year.

Mrs. Conde would like to thank you for a wonderful school year. I have enjoyed working with your child and hope you have a safe and fun-filled summer!

Thank you to **Ron** for all your hard work setting up the court for our Kindergarten celebration on Friday. Also, thank you to our **PE coaches** for being so flexible and letting us use the court for practice and performance times. We appreciate it!

ST Math En el Hogar

Instrucciones para tener acceso a el programa ST Math fuera de clase

Queridos Padres:

Su hijo(a) esta usando ST Math, el programa de matemáticas sobre el internet:

SEMINOLE ELEMENTARY SCHOOL

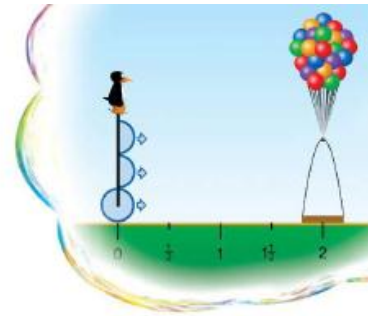

Con ST Math, los estudiantes juegan videojuegos en la computadora diseñados para enseñar matemáticas. Pueden jugar en la computadora de casa o en otros aparatos como tabletas. Nosotros aconsejamos que usted deje a su hijo jugar los videojuegos para revisar y practicar las habilidades matemáticas aprendidas en ST Math.

El maestro de su hijo puede asignarle juegos ST Math de tarea. Por favor, asegúrese de que sólo el niño con la cuenta de ST Math juegue el programa. Su hijo(a) tendrá acceso al programa así como él o ella lo hace en la escuela.

En ST Math, los rompecabezas del programa comienzan simples y luego se ponen más difícil, a como el estudiante progresa. Cuando llegue a un problema difícil, su hijo(a) debería tratar el problema y utilizar la información visual proporcionada para ayudar a averiguar por qué su respuesta trabajo o dejó de funcionar. La retroalimentación (reacción) proporcionada con cada rompecabezas ayudará a los estudiantes a encontrar la manera de resolver los problemas.

Si su hijo(a) tiene dificultades, le puede ayudar facilitando preguntas acerca de lo que ve que está pasando en la pantalla. Usted no debe darle a su hijo(a) la respuesta correcta para conseguir que su hijo se adelante en el programa. El objetivo de ST Math es el de promover la solución de problemas.

¿Preguntas? Por favor, pregúntele al maestro de su hijo(a).

MIND Research Institute

Using ST Math At Home

Instructions for Accessing ST Math Outside of School

Dear Parents or Guardians:

Your child is using the ST Math® software program at:

SEMINOLE ELEMENTARY SCHOOL

With ST Math, students play computer games designed to teach math. They can play the games at home or on devices other than those used at school. We encourage you to have your child play the games to review and practice the math skills learned in ST Math.

Your child's teacher may assign ST Math games for homework. Please make sure only the child with the ST Math account plays the games. Your child will access the program just as he or she does at school.

In ST Math, the game puzzles start off simple and then get more challenging as the student progresses. When they reach a challenging problem, your child should attempt the problem and use the visual feedback provided to help them figure out why their answer did or did not work. The feedback provided with each puzzle will help students figure out how to solve the problems.

If your child is struggling, help them by asking them questions about what they see happening on the screen. You should not give your child the correct answer to get them past the game with which they are struggling. The goal of ST Math is to promote problem solving.

Questions? Please ask your child's classroom teacher.
