

# Northeast High School

## Athletic Paperwork

2025-2026

Directions for completing the process to be able to participate in Athletics at Northeast High School.

1. Step 1: (Important to do everything in order. If you don't it will greatly slow down getting cleared.) Go to [k12studentinsurance.com](http://k12studentinsurance.com) and get school insurance. If you are playing tackle football you need to get JV or varsity insurance. Do not email me a copy of any insurance information as I look up their insurance online.
2. Step 2: Complete and download the required 4 videos (See Page 2—Directions for online courses (Videos))
3. Step 3: Get a physical on the FHSAA EL2 Physical Form. The process will go faster if you do this step before going to Step 4. Physicals are only “good” for 1 calendar year from the date on the physical. You can find the blank physical forms on the athletic clearance site (step 3), at the Northeast High School website, your doctor's office, or in a bin outside room 28-15. Please only upload the page that says ‘Page 4 of 4.’ **BE SURE ALL SECTIONS ARE FULLY COMPLETED INCLUDING DATES.**
  - The physical that you upload MUST be on the State EL2 Physical form on athletic clearance. **No other physicals can be accepted per state requirements!**
  - The clinic at Northeast High School completes physicals for free –to set up an appointment please call 727-570-3025 or go by the clinic to set up an appointment.
4. Step 4: Register or login to [athleticclearance.com](http://athleticclearance.com) (Create an account if new or sign in if returning.) **Be sure to use an email you check regularly as this is where communication on being cleared or fixing an item will take place. When it ask for student ID please put in the full number (include 52)**
5. Enter all information requested. **Be sure to list all sports the student-athlete wants to try-out for.** You will then need to upload the physical form as described above.
6. Step 5: If you attended Northeast High School last year or an incoming 9<sup>th</sup> grader, please skip this step. If you did not attend Northeast High School last year, you need to complete an additional form called a GA4. That form is on Home Campus in Step 3 and it must be uploaded. You may also email Coach White at [whitew@pcsb.org](mailto:whitew@pcsb.org) for a copy.
7. If you have questions or issues please email Coach White at [whitew@pcsb.org](mailto:whitew@pcsb.org) Do not have student come to Coach White's class. All athletic clearance questions will be done via email.
8. Prepare for at least 2 school days (not counting weekend) turn-around for your online application to be reviewed.
9. We encourage you to print a copy of all your athletic paperwork and keep for your own records.

\*\*\*“Students may not participate in any way until being cleared by Coach White on Home Campus. This requires that all paperwork, insurance, and eligibility criteria have been met.” You will get an email automatically telling you the status of your application. Be sure to use an email that you check regularly.

Participation in high school sports is not without risk. The student-athlete and parent/guardian acknowledge truthful answers to the above questions allows for a trained clinician to assess the individual student-athlete against risk factors associated with sports-related injuries and death. Florida Statute 1006.20 requires a student candidate for an interscholastic athletic team to successfully complete a preparticipation physical evaluation as the first step of injury prevention. This preparticipation physical evaluation shall be completed each year before participating in interscholastic athletic competition or engaging in any practice, tryout, workout, conditioning, or other physical activity, including activities that occur outside of the school year.

We hereby state, to the best of our knowledge, that our answers to the above questions are complete and correct. In addition to the routine physical evaluation required by Florida Statute 1006.20, and FHSAA Bylaw 9.7, we understand and acknowledge that we are hereby advised that the student should undergo a cardiovascular assessment, which may include such diagnostic tests as electrocardiogram (ECG), echocardiogram (ECHO), and/or cardio stress test. The FHSAA Sports Medicine Advisory Committee strongly recommends a medical evaluation with your healthcare provider for risk factors of sudden cardiac arrest which may include the special tests listed above.
