Financial Aid 101

- Financial Aid Basics
- Types and Sources of Aid

- Applying for Aid
- What Happens Next?
- Final Thoughts
- Questions

Basic Principles

- **Paying is the joint responsibility of the student and parent(s), to the extent possible**
- **Eligibility criteria may apply in order to receive/maintain financial aid, such as:**
  - Student must maintain satisfactory academic progress
  - Additional criteria may be required based on the type and source of aid
- **Student should play an active role in the process**
  - Talk with the student about goals/plans **(review educationplanner.org & mysmartborrowing.org)**
  - Take advantage of college fairs & school visits (ask about cost and available aid)
- **Some students may not qualify for all forms of aid**. There is no guarantee that you will receive any free money to pay for higher education
- **Must apply every year to be considered**

Financial Aid – Gift Aid

Based on financial need or merit generally does not have to be repaid – **Free Money**

Scholarships and grants

- **Grants** - based on financial need subject to federal formula
- **Scholarships** - usually based on merit.

- Federal government, state government, schools and colleges
- Organizations, businesses, community, employers, FREE Internet search

Financial Aid – Self-Help Aid

- **Loans**
  - Loans are borrowed money. Must be paid back
- **Work-study awards**: Earned money
  - Wages earned and paid directly to the student for working, coordinated through the campus or state
- **Tuition reimbursement**
  - Employer sponsored education
- **US Military benefits**
  - Requires service commitment & satisfying criteria

Step 1: Look For Free Money First

- **National**
  - Most found on corporate websites, scholarship databases & HS guidance offices/webpages
  - Lots of competition
- **Local & Regional**
  - Check with HS Guidance office/webpage
  - Businesses, churches, local foundations, etc. (stay on the lookout)
  - Less competition
- **Post-Secondary:**
  - Check the school's financial aid & admissions pages on website
  - Inquire with financial aid office about scholarships from alumni and endowment funds

Step 2: Know Your Deadlines

Federal Deadline

Pell Grants, campus-based aid, Teach Grants, and federal student loans–June 30, 2027, for Award Year 2026-27

School Deadlines

need-based grants and scholarships

Schools may have their own filing deadlines. Students are responsible to know these deadlines and should review their potential colleges' websites for these deadlines

Students do not need to be accepted for admission

PA State Grant Deadlines

May 1, 2026–First-time and renewal students attending colleges, universities & college transferrable programs (excluding community colleges)

August 1, 2026–First-time students attending community college; a business, trade or technical school, hospital school of nursing; Open Admissions Institutions or a 2-year non-transferrable degree program at a Jr or 4-year college

Step 3: The FAFSA is Your Connection to Funding

The FAFSA is a federal form used to determine student eligibility for the following:

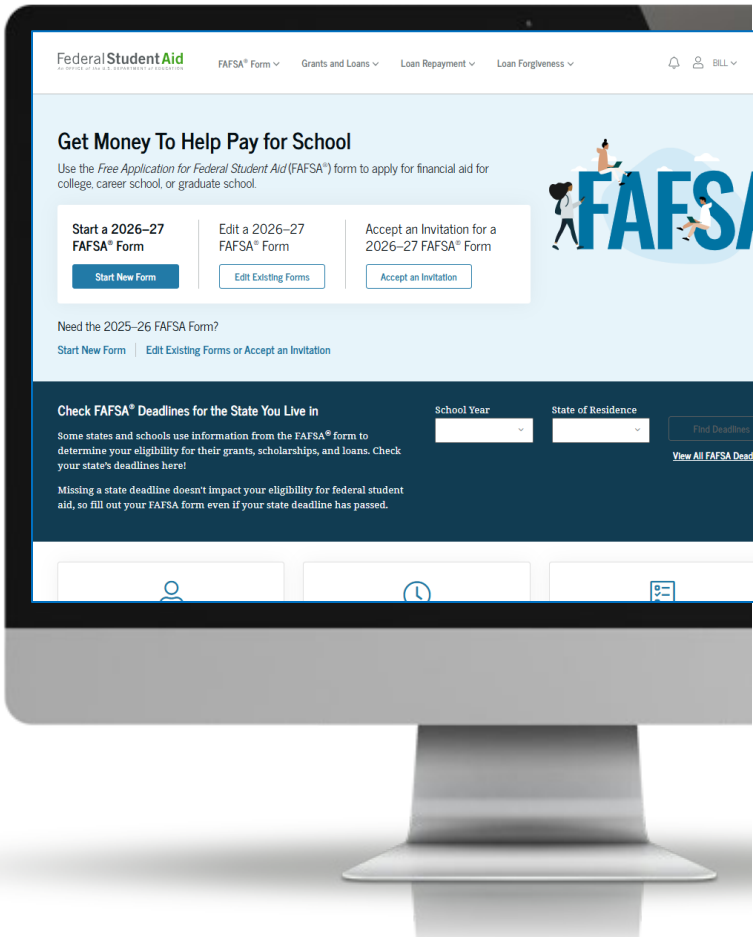

- Federal programs
- State programs
- School programs

FAFSA (Free Application for Federal Student Aid)

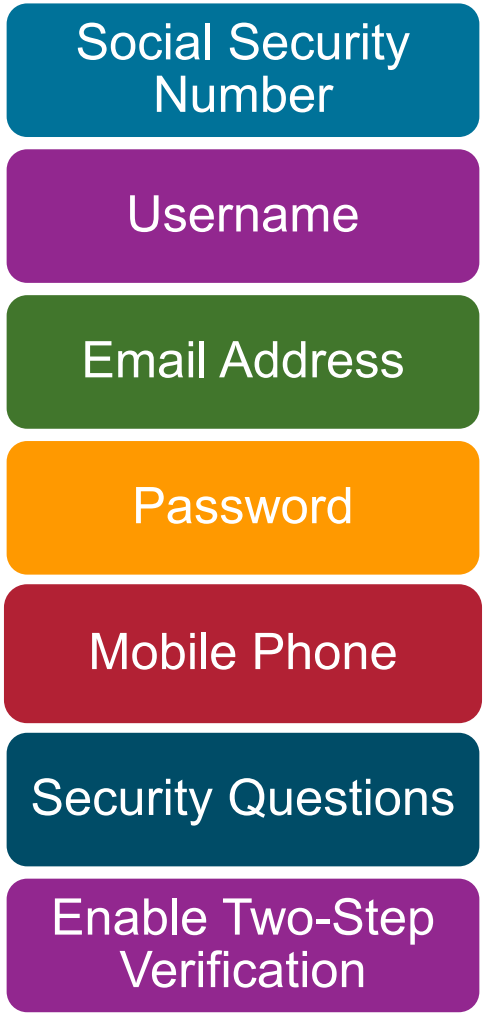

- The FAFSA is the primary federal form for financial assistance to attend a postsecondary school.
- Must file a FAFSA each year a student attends school to be eligible.
- File online—Fast, Secure, SKIP LOGIC and Built-in Edits.
- While filing the FAFSA online is preferred, a printable PDF version is available at **StudentAid.gov**.

StudentAid.gov/fafsa

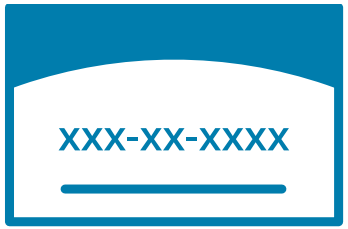

Create Your StudentAid.gov Account

- The student applying for aid and all contributors providing information on the FAFSA need to create a StudentAid.gov Account at **StudentAid.gov/fsa-id/create-account**.
- Create at least 1 day prior to completing the FAFSA
- Legal signature for student and contributors.
- Users without an SSN will be able to acquire a StudentAid.gov Account.

Determining if Parental Contributor is Required

- A series of student questions to determine if parental contributor data is required
  - **Dependent**—include parental data
  - **Provisional Independent**
    - If they cannot provide parent info—May be considered as a Provisionally Independent student and would need to work with the financial aid office to certify. This only needs to be done their first year of attendance (assuming they don't transfer to another school)
  - **Independent**—just student data

For Dependent Students, Who Reports Info on the 2026-27 FAFSA (contributors)?

YES

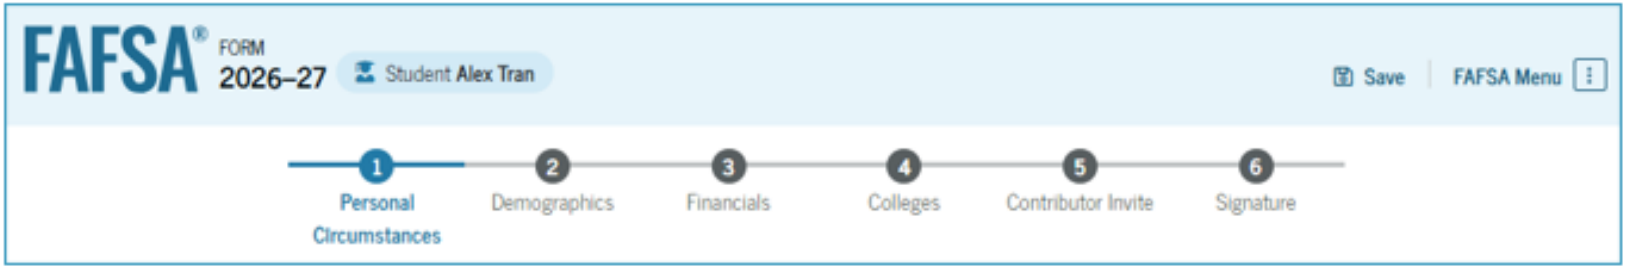

- Married parents living together
- Biological parents living together

- The parent is asked about their current marital status
- Parent answers demographic questions before advancing to the Financials portion of the FAFSA

Income and Assets

- Allowances are made for taxes, working households, and living allowances based on family size
- Current Net Worth of investments, including Real Estate
- The FAFSA exempts the value of family-owned businesses with 100 or fewer full-time employees, farms on which the family resides and family-owned commercial fisheries in the SAI calculation.
- 20% of the value of the assets is used in the calculation of the SAI for student and 12% for parent(s)

What is considered an asset?

- ✓ Checking
- ✓ Savings
- ✓ Stocks
- ✓ Bonds

PHEAA will send you an email to instruct you on how to activate your GrantUs account and apply for the PA State Grant.

Students should monitor the email account provided on the FAFSA and respond to requests from Federal Student Aid, PHEAA and the colleges.

EducationPlanner.org
FinAid.org
BigFuture.Collegeboard.org

Recognize Scholarship Scams

- Application fees
  - Even if the fee is minimal or “only to encourage serious students to apply”
- “Guaranteed” scholarships
  - No individual can honestly “guarantee” you’ll win free money
- Solicitations
  - “You’ve been selected…”
  - “You are a finalist…”
  - Bona fide companies won’t ask for a check or credit card payment upfront
- Official-looking companies
  - The logo may look like the U.S. Dept. of Education’s logo
  - The company may talk about “federal” or “national” awards
- Seminars
  - Don’t get pressured into paying for services on the spot

FAFSA is Filed… Now What?

Student completes the FAFSA

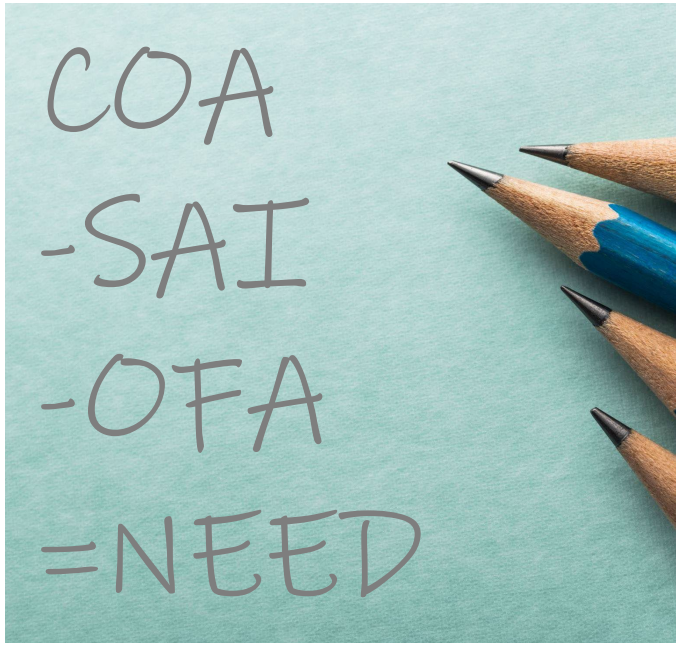

Schools receive FAFSA and calculate financial aid

Schools send Financial Aid Notifications to student

Calculating Financial Need

- Schools and colleges receive FAFSA information and calculate financial need
- Financial Aid Office (FAO) “packages” student based on financial need and available funding (varies from school to school)
- Financial aid notification sent to student

Cost Of Attendance (COA)

Cost of Attendance (COA):

Costs that the student can expect to incur during the school year

- **Direct costs**: billed by the school
- **Indirect costs**: not included in bill but may be incurred
- School costs include:
  - Tuition and fees
  - Housing and food
  - Books, course materials, supplies, and equipment
  - Transportation
  - Personal expenses

Student Aid Index (SAI)

Student Aid Index (SAI)

A measure of a family's financial strength, namely its ability to pay for college. The SAI is calculated from a federal formula using information collected from the Free Application for Federal Student Aid (FAFSA)

The SAI can be as low as negative 1500 (-1500).

SAI values can be as high as 999,999.

It is not the amount a family is required to pay but instead helps the financial aid office determine how much financial support you may need.

Financial Aid Notification

- Official notification from school about financial aid, terms and conditions
- Lists the type and amount of aid to be received
- Describes what must be done to accept or reject any aid
- Discloses students' rights, responsibilities and academic requirements

Step 4: Compare Schools' Financial Aid Offers Carefully

How much of the financial aid is free money?

Which awards are based on need, and which are based on merit?

Are there any conditions on the free money? GPA requirement?

Will awards increase as tuition increases?

Will awards change from year to year?

Will loans be needed?

Comparing Financial Aid Offers

Cost	$20,000	$30,000	$50,000
SAI	$ 3,000	$ 3,000	$ 3,000
Need	$17,000	$27,000	$47,000
Free Money	$ 6,000	$ 8,000	$18,000
Loans	$ 5,500	$ 7,000	$ 8,000
Work-Study	$ 0	$ 2,000	$ 3,000
TOTAL AID	**$11,500**	**$17,000**	**$29,000**
Gap = (Cost – Aid)	**$ 8,500**	**$13,000**	**$21,000**
Actual Cont. = (Cost – Free $)	**$14,000**	**$22,000**	**$32,000**

Undergraduate and Graduate Loans

PA FORWARD® Student Loans by PHEAA

PA's Low-Cost Way to Pay for College!

Low, Fixed Rates

3.29–10.45% APR[1,2]

Effective as of 6/5/25

Learn more at **pheaa.org/PAForward**

1) **Annual Percentage Rate (APR) Calculations** – The lowest APR is based on the following assumptions: A loan of $10,000 made in a single disbursement, a borrower who selected an Immediate Repayment Plan and a repayment term of 60 months, monthly payments of $181.11 and a final payment of $173.14, a fixed periodic interest rate of 3.57%, and total payments of $10,858.78. The borrower in this sample qualified for a 0.25% Direct Debit benefit for the entirety of the repayment period and a 0.50% Graduation benefit was applied 47 months into repayment.
The highest APR is based on the following assumptions: A loan of $10,000 made in a single disbursement, a borrower who selected an Interest Only Repayment Plan and a repayment term of 180 months, monthly payments of $87.42 for 52 months and monthly payments of $110.48 for the remainder of the repayment term, a fixed periodic interest rate of 10.49%, and total payments of $24,431.69. The borrower in this sample did not qualify for any interest rate discounts.
These APRs are estimates and may differ from the actual rates received.
2) The provided rate range includes Undergraduate, Graduate, and Parent loans and may change based on loan type, loan term, repayment plan, and applicable discounts (not all discounts apply to all loan products). See individual loan programs for more specific information. PHEAA uses applicant credit scores to determine eligibility and interest rates. Higher credit scores may mean an applicant is offered a lower interest rate.
Applicants, including co-signers, are subject to credit qualifications, completion of an application and credit agreement, and verification of application information.
PHEAA reserves the right to discontinue all programs or benefits without prior notice.

Benefits of Paying Interest

- Paying now will reduce what is capitalized!
- Interest accrues on your unsubsidized student loan and Federal PLUS Loan:
  - Every day, from the day the loan is disbursed until you make the last payment
  - Even if your loan is not in repayment
- Interest accrues on your subsidized student loan:
  - Every day, from the day the repayment period starts until you make the last payment

ONLY consider Direct PLUS or private alternative loans after looking into all other sources of financial aid.
!

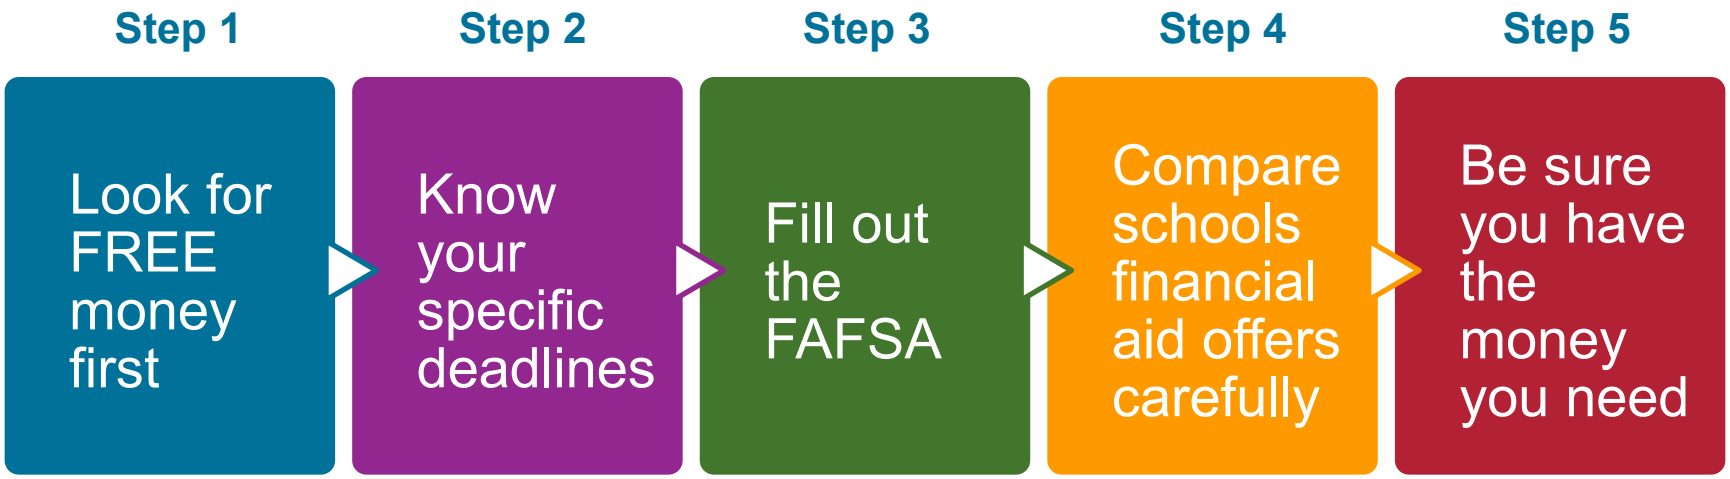

Step 5: Be Sure You Have The Money You Need

- Have you considered annual out of pocket costs **beyond the first year?**
- Do you understand your actual costs?
- Do you have a strategy for handling out of pocket costs?
