Mission Statement

MRSD is a community of learners of all ages focused on building knowledge, positive character, and resiliency in a safe, supportive, creative, and challenging environment.

Monomoy Regional High School

School Profile 2025-2026

School Description

Monomoy Regional High School opened in September 2014 following the merger of the Chatham and Harwich districts. MRHS is a comprehensive high school with approximately 700 students in grades 8-12. Combining the excellent academic and co-curricular offerings of both Chatham and Harwich High Schools in a state-of-the-art facility allows students a broad range of electives and opportunities for enrichment.

Vision Statement

Monomoy is committed to being an exemplary school district, where all of our students become creative and critical thinkers, communicators and leaders, independent and confident learners, and engaged citizens.

Community Description

The towns of Harwich and Chatham are located on the southern coastline of Cape Cod, Massachusetts. The Monomoy district consists of two elementary schools grades K-4, one middle school grades 5-7, and one high school grades 8-12. While cranberry farming and fishing are still native occupations, the economy is primarily supported by tourism and related industries. The combined towns' population is approximately 20,000; the seasonal population swells to over 60,000 in the summer months. Family incomes vary widely within the district; approximately 35% of our high school students are classified as low-income.

Graduation Requirements

Graduates in the Class of 2026 must earn a total of *96 credits* distributed throughout the following minimum category requirements:

English Language Arts	16 credits	World Language	8 credits
Mathematics	16 credits	Visual/Performing Arts	4 credits
Social Studies	12 credits	Wellness (Health & PE)	8 credits
Science/Tech/Engineering	12 credits	Additional core course	4 credits

**Honors option may also be earned in some electives

Portrait of a Graduate

A development team comprised of faculty, staff, students, administrators, caregivers, School Committee members, and community members created the Portrait of a Graduate during the 2022-2023 school year.

Class Rank

Rank is computed at the end of the sixth semester. All subjects are included in the ranking calculation. Courses are weighted for the purpose of calculating rank and GPA. AP courses receive the highest weight of 20%, followed by honors at 10%, and all other courses at standard weight.

Marking System

Grades are awarded on a numerical basis: 90-100 (A), 80-89 (B), 70-79 (C), 60-69 (D), below 60 (not passing). High honors is qualified as a grade of 90 or higher in all subjects. Honors is qualified as a grade of 80 or higher in all subjects.

Dual Enrollment

Students aged 16 and older may enroll as Dual Enrollment students at Cape Cod Community College. Students earn both high school and college credit for this coursework. Students/families are responsible for all costs.

Virtual Learning

As a member institution of Edgenuity, Monomoy Regional High School students can avail themselves to numerous courses in the arts, sciences, technology, and humanities. Honors and AP courses are offered by Edgenuity, some at a cost to students.

Project Lead the Way (PLTW)

MRHS implemented PLTW in the 2020-2021 school year with programs in PLTW Gateway, PLTW Engineering, and PLTW Computer Science. Current courses offered include: Automation & Robotics; Introduction to Engineering* (est. 2021-2022); Principles of Engineering* (est. 2022-2023); Computer Integrated Manufacturing* and Computer Science Essentials* (est. 2023-2024). Aerospace Engineering and Cybersecurity introduced 2024-2025. *Honors weighted course effective 2023-2024.

College Board AP Capstone Diploma

Monomoy Regional High School is proud to offer the AP Capstone Diploma program, an innovative two-year, interdisciplinary program developed by the College Board. Built on the foundational courses of AP Seminar and AP Research, the program develops essential college-level skills in research, analysis, evidence-based argumentation, collaboration, writing, and presentation. AP Seminar introduced 2024-2025; AP Research introduced 2025-2026. Graduating students in the Class of 2026 may be AP Capstone eligible but not aware until AP score released in the summer.

Experiential Learning

Monomoy Regional High School students have a number of experiential learning opportunities where they can earn credit and gain real-world experience to prepare them for college and careers. Courses include Community Internship, where students work with a mentor in a local business, non-profit, or municipal office; Elementary Education experience, where students are placed as classroom assistants at Harwich or Chatham Elementary School; School Service/Classroom Assistants, where students assist in the school library, technology center, or classrooms; SHORE Internship, where students assist in special education classes; and tutoring, where students are able to share their academic strengths with others.

Monomoy in the News

College Board's AP School Honor Roll 2022-2023; 2023-2024

The AP School Honor Roll recognizes schools that have done outstanding work to welcome more students into AP courses and support them on the path to college success.

AP Access Award 2022-2023, 2023-2024

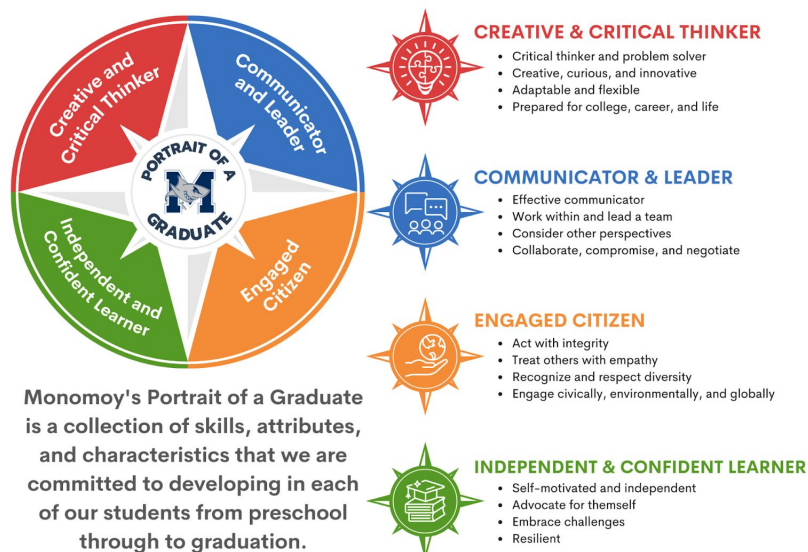

which honors schools that encourage more low-income and underrepresented minority students to take AP courses. The percentage of students in at least one of these categories who took at least one AP Exam before graduation is proportional to or above your school's student population, demonstrating a clear and effective commitment to equitable access to advanced coursework.

School Ranking US News and World Report, August 2023

Monomoy named one of the top 100 schools in Massachusetts.

Work Based Learning - MassHire Cape and Islands Workforce Board Partner in Education Award for 2025

PORTRAIT OF A GRADUATE

What makes Monomoy a great place to be!

- Numerous travel, exchange, and service programs to destinations including Japan, Croatia, Costa Rica, and Washington D.C
- Students in the TV media arts produce the school news and documentaries from start to finish. Morning shows are aired daily.
- HOPE SQUAD: a peer-nominated student group for peer-to-peer-suicide prevention
- Peer Tutoring program: a peer-to-peer tutoring program that matches students with their academic need
- Past recipient of the MIAA Sportsmanship Award; historically in the top ten of winningest programs for Division 4 programs in Massachusetts
- MRHS provides students with 1:1 technology during their high school years.

Co-Curricular Activities

MRHS provides students with a broad range of extracurricular activities, including:

- 26 Varsity and Junior Varsity athletic teams, including Unified Special Education teams
- 50+ special interest clubs, fine arts programs, and community service organizations
 - Robotics, Interact, Key Club, National Honor Society, Peer Leadership, Animal Welfare, and many more!
