Green Bay East High School

East High Parent Newsletter

Issue No. 2 | October 2025

East Families,

We are well into the 25-26 school year and have enjoyed welcoming back our upperclassmen and getting to know our new students. We are quickly approaching our first grading period and will have parent teacher conferences on Oct 9th and Oct 14th. We encourage all parents to sign up to meet with your child's teachers.

Staying connected to the school is important and one way you can do that is by being part of our Parent Network/Booster Club. We meet the first Monday of each month at 6:30pm in the cafeteria at East. All are welcome!

If your child is struggling in a class please talk to them about having conversations with their teachers, encourage them to study for tests at home and remind them that we have tutoring after school until 3:45pm Tuesdays, Wednesdays and Thursdays. In addition, if you as parents have questions about a specific class we encourage you to email or call your child's teacher first before reaching out to their counselor or associate principal. Teachers will be able to give you more up to date and accurate information about the class. Counselors and associate principals are here to support though as needed.

Please reach out to the school if we can support in any way. Happy October!

RED DEVIL PRIDE

Red Devil Pride , or RDP, at East High School means being responsible, dependable and prepared. Students started the school year by learning school expectations and appropriate behaviors. Every day students are encouraged to to show their RDP values and are rewarded for their efforts! Teachers and staff nominate classrooms and individuals to be RDP champions of the week. In September several classes and students received treats for showing their RDP Pride. Watch for more incentives! It's a great day to be a Red Devil!

EATS FOR EAST

The mission of East High School's Eats for East meal program is to provide healthy meals and snacks to students during non-school hours. The program supports, on a weekly basis, our unaccompanied youth, homeless students and families in need.

Good nutrition promotes good academics, and this program will ensure that students arrive on Monday morning ready to learn. When students feel their best, they do their best.

The vision for this program is that students be provided healthy food on both school and non-school days. Our schools are our community, and by providing meals and snacks over the weekend, we are supporting our students and improving our community one backpack at a time.

Donations and other inquiries can be directed to Sandy Waubanascum, social worker, at 920-272-7059 or at slwaubanascum@gbaps.org.

The following non-perishable, non-expired items OR monetary donations will be accepted. Specifically requested items include, but are not limited to:

Notes from the School Nurse

- School nurses are no longer able to provide Tylenol and/or Ibuprofen to students unless the attached OTC (over the counter) medication form is signed by a parent/guardian. This means we are no longer able to call you and get verbal consent over the phone or via text message.
- When this form is signed the school nurse is able to administer up to 5 separate doses of Tylenol/Ibuprofen for the school year. Once the student has reached 5 doses administered the parent/guardian will have to provide a bottle to keep at school for their student.
- If you did the annual updates on the parent portal this year you were prompted to fill this form out electronically. If you did not do your annual updates on the parent portal you can sign the paper copy and return to school. This new policy does not change our current policy on parent provided medications for school.
- Have students return signed forms to Student Services
- Please call Nurse Terri 920-272-7652 with any questions
