C. Jury Duty Leave: Any employee who is summoned for jury duty or subpoenaed as a witness shall receive his/her regular pay for such period, and he/she shall reimburse the school district the amount of compensation he/she received as a juror or a witness. For purposes of jury duty leave in this Article, an employee is not "subpoenaed as a witness" for any court appearance where the employee is the criminal defendant or where the employee is charged with a violation of law or where the employee is the plaintiff in a civil action or has otherwise initiated

the litigation, claim or case. Employees who are released from jury duty prior to the end of a normal work day will report to work on being released from jury duty.

- D. Child Care Leave: Employees will be granted a child care leave, actual dates of leave to be determined by doctor's statement; however, upon receipt of a doctor's certificate prior to the end of such leave stating that because of complications resulting from such pregnancy the employee is unable to return to work, then the employee's leave may be extended as required by the doctor.

Employees may use accrued sick leave during the period of their child care leave when they are unable to work as verified by a doctor's statement.

Employees may return to work as soon as they are able as verified by a statement from their doctor. Employees must notify the district in writing if changes occur in their approved dates.

- E. Leave of Absence Without Pay: An employee may apply for a leave of absence without pay for up to one (1) year. The approval or denial of such leave shall be at the discretion of the employer. Other employment may not be taken during the leave.

An employee on an approved leave of absence shall retain the seniority which had previously been accrued. Upon return from an unpaid leave of absence of one (1) year or less, the employee shall return to the same position held prior to going on leave.

Employees on leave must submit by April 1 a written request to return from a leave for the following September or ninety (90) calendar days prior to the end of the approved leave. Any employee who does not submit a written request shall be considered terminated, and the employer shall have no obligation to said employee. Employees must notify the district in writing if changes occur in their approved dates.

- F. Union Business: Up to four employees, inclusive of any member of the Board of Directors, who are elected as delegates to represent the Union at international, state or district conventions and which require an absence from duty may be granted the necessary time off to attend such conventions without pay and without discrimination and without loss of seniority rights or any other rights granted by the employer, provided such absence does not interfere with the services of the employee's departments as determined by the employer.

- G. Personal Leave:

1. Three (3) days of leave with pay may be used for personal leave. Requests for utilization of a personal leave day shall be made electronically through the school district to the immediate supervisor, no later than three (3) days prior to the requested leave, except in cases of extreme emergency. Such request shall be subject to the approval in advance by the Superintendent or his designee. Failure to submit the request for personal leave the required three (3) days in advance will result in denial of the personal leave day. Up to three (3) Food & Nutrition Service employees will be allowed personal leave on any given day. Personal leave will not be granted during the first five days of the school year or the last five

days of the school year unless there are extenuating circumstances and the Sup't or their designee approves the time off.

2. Additional personal leave or additional employees may be granted personal leave for personal exceptional situations at the discretion of the Food & Nutrition Service Director. Under no circumstances shall the School District's decision to grant personal leave in excess of the maximum numbers listed above, to grant personal leave in excess of three (3) Food & Nutrition Service employees, be construed as establishing a past practice or prejudice the District's right to enforce such restrictions at its discretion.
 3. Employees will be allowed three (3) days of absence without pay each school year for personal emergency leave. For purposes of this Article, Personal Emergency Leave shall be determined by the Director of Food and Nutrition Services and Director of Human Resources. Personal Emergency Leave days will result in all wages and benefits being deducted from the employee's pay for each day taken. Personal Emergency Leave days will not be carried over from one school year to the next. Absence due to inclement weather, if food and nutrition service employees are expected to be on duty and personal leave is not available the food and nutrition service employee may be assessed a Personal Emergency Leave Day. Additional personal emergency leave may be granted to cover personal exceptional situations at the discretion of the Director of Food and Nutrition Services and Director of Human Resources. Under no circumstances shall the School District's decision to grant Personal Emergency Leave in excess of the maximum numbers listed above be construed as establishing a past practice or prejudice the District's right to enforce such restrictions at its discretion.
 4. Employer will grant employee up to a total of sixteen (16) hours during any school year to attend school-related functions related to employee's child, per provisions of applicable law. Only paid personal leave or non-compensable leave may be used for this purpose.
 5. In a given school year, Food Service employees may carry over up to two (2) personal leave days. Personal leave days remaining in excess of two (2) at the end of the school year will automatically be paid out at the then current employees daily rate of pay on the last payroll in June. Food Service employees have the option to request payout of any remaining unused personal leave days. To receive this payout of personal leave days, employees must submit a form to payroll by May 1 of the calendar year. Total personal leave days used per year may not exceed five (5).
- H. Food & Nutrition Service employees shall be granted Labor Day, Thanksgiving Day, Christmas Day, New Year's Day, Good Friday, and Memorial Day-as paid holidays. Juneteenth shall be paid to any food service employee that works the day before and after the Juneteenth holiday. Holiday pay shall be in relation to the normal hours worked by each employee per day.
- I. Perfect Attendance: The School District shall award one personal day to any Food & Nutrition Service employee who has achieved one school year of perfect attendance with no tardies. Perfect attendance is defined as having completed one school year of continuous days of perfect attendance. This means the employee must not have been laid off, taken regular sick leave, taken

an unpaid leave, tardy or had an injury on the job (of more than 2 days) during that school year.

The personal day must be used during the next school year in which it was awarded. If the personal day is not used within that year, it will not accrue or carry over.

If a Food & Nutrition Service employee qualifies for leave under FMLA/MPL leave, such leave will not disqualify an employee from achieving perfect attendance.

Terminated employees or employee who resign are not eligible to use or receive compensation for a personal leave day award based on perfect attendance. An employee who has been awarded a personal day based on perfect attendance and is subsequently placed on layoff the following school year, shall be compensated at their daily rate of pay for the personal day awarded.

At the end of each school year, the Department of Human Resources will run a computer program which will run a query in the appropriate payroll database against a list of disqualifying reason codes. If no disqualifying codes appear for an employee during the school year, a perfect attendance letter will be generated and sent to the employee and payroll indicating an additional personal leave day will be added to the employee's bank for the following school year.

J. Medical Leave:

1. An employee who has completed his/her probationary period who is unable to perform his/her duties because of illness or injury and who has exhausted all sick leave credit available may, upon request, be granted a medical leave of absence without pay up to six (6) months. At the end of six (6) months, an employee may request an extension of the unpaid medical leave and may be granted additional unpaid medical leave of up to six (6) months at the discretion of the employer.
2. A request for leave on unpaid leave of absence or renewal thereof under this section shall be accompanied by a written doctor's statement outlining the condition of health and estimated time at which the employee is able to assume his/her normal work responsibilities.
3. An employee on an approved, unpaid medical leave of absence shall retain seniority which had previously been accrued. Seniority will be frozen at time of going on leave.
4. Upon return from an unpaid leave of absence of one (1) year or less, the employee shall return to the same position held prior to going on leave.
5. During the employee's approved unpaid medical leave of absence under this Article, the employer shall continue to pay its contribution of long-term disability (LTD) premium and life insurance premium to a maximum of one-half of the individual's seniority or age 65, whichever is less.
6. Vacant positions due to medical leave of absence shall be filled following the process outlined in Article V, Posting of Vacant Positions.

ARTICLE 12: DISCIPLINE AND DISCHARGE

- A. All discipline and discharge shall be made only for just cause. All disciplines and discharge shall be subject to grievance procedure (except as specified in Article IV, Probationary Period).
- B. Employees shall be given a written copy of any discipline along with an explanation as to what corrective action is to be taken by the employee.
- C. Each employee shall have only one personnel file and no written allegation or record of disciplinary action may be used as a basis for further disciplinary action unless it has been made a part of the employee's personnel file.
- D. If a Supervisor meets with an employee to discuss a possible verbal reprimand, written reprimand, suspension or discharge, the employee shall be entitled to have a Field Representative present. The meeting shall occur within three (3) working days after the School District's request for such meeting.
- E. Performance Evaluations: The primary intent of a supervisory evaluation process will be the personal and professional development of the Employee. A formal summative evaluation of work performed shall be formulated February of each year for all unit employees. Evaluations shall be conducted by the Employee's immediate supervisor, consistent with the standards of performance and in cooperation with the Superintendent's Designee. A copy of said evaluation shall be forwarded to the Superintendent's Designee for placement in the Employee's personnel file.
- F. The employee shall have the right to reproduce any of the contents of the files at the employee's expense and to submit for inclusion in the file, written information in response to any material contained herein. The District may destroy the files as provided by law. The District shall expunge any material from the file that is found to be false or substantially inaccurate through the grievance procedures of this Agreement.

ARTICLE 13: GRIEVANCE PROCEDURE

Definitions:

- A. Grievance: A "grievance" shall mean a dispute or disagreement between the interpretation or application of a term or terms of any contract required under P.E.L.R.A.
- B. Days: "Days" mean calendar days excluding Saturday, Sunday and legal holidays as defined by Minnesota Statutes.
- C. Service: "Service" means personal service or by certified mail.
- D. Reduced to Writing: "Reduced to writing," means a concise statement outlining the nature of the grievance, the provision(s) of the contract in dispute, and the relief requested.
- E. Small Group of Employees: "Small group of employees" means a group of employees consisting of five (5) or less.
- F. Answer: "Answer" means a concise response outlining the employer's position on the grievance.

Step I.

Whenever any employee or small group of employees have a grievance, he/she or they shall meet on an informal basis with the employee's or employees' immediate supervisor in an attempt to resolve the grievance within twenty (20) days after the grievance occurred or twenty (20) days after the employee(s) through the use of reasonable diligence should have had knowledge of the occurrence that gave rise to the grievance. If the grievance is not resolved within fifteen (15) days of the first informal meeting, the grievance may be reduced to writing by the exclusive representative and served upon the public employer's designate (see Step II). Service must be made within fifteen (15) days of the last informal meeting. The employer shall, within five (5) days of receipt of the written grievance, serve his/her answer upon the exclusive representative. In the event the exclusive representative refuses to process the grievance, the employee(s) may proceed with the grievance and if he/she so chooses, may select a designee to represent him/her.

If the grievance involves and affects more than five (5) employees, the grievance may be reduced to writing by the exclusive representative or the employees or their designated representative in the event the exclusive representative has declined to proceed with the grievance, and must be served upon the employer within twenty (20) days after the grievance occurred or twenty (20) days after the grievant(s), through the use of reasonable diligence, should have had knowledge of the occurrence that gave rise to the grievance. The employer shall within five (5) days serve his/her answer upon the exclusive representative, or in the appropriate case, employee(s) or their designee.

Step II.

The employer's representative shall meet with the exclusive representative, or in the appropriate case, employee(s) or their designee, within seven (7) days after receipt of the written grievance. The parties shall endeavor to mutually resolve the grievance. If a resolution of the grievance results, the terms of that resolution shall be written on or attached to the grievance and shall be signed by all parties. If no agreement is reached within fifteen (15) days of the first Step II meeting, the exclusive representative, or in the appropriate case, employee(s) or their designee, if he/she elects to proceed with the grievance, must proceed with Step III by serving a proper notification on the appropriate Step III official(s). The notification shall contain a concise statement indicating the intention of the party to proceed with the grievance, an outline of the grievance, the provision(s) of the contract in dispute and the relief requested.

Step III.

Grievance Mediations: In the event that a grievant(s) and the School District are unable to resolve any grievance, the parties will agree to participate in mediation for the purpose of compromising, settling, or resolving the grievance.

Request: A request to submit a grievance to mediation must be made in writing signed by the grievant(s) or the School District and delivered to the designee of the other party. The other party shall respond within ten (10) working days to accept or deny the submission of a grievance to mediation.

Selection of Mediator: A joint request for mediation shall be submitted to the Commissioner to assign a mediator.

Mediation: The assigned mediator shall schedule one or more mediation sessions. The mediation shall be conducted in conformance with Bureau of Mediation Services Policies and Procedures III.03 regarding Grievance Mediation. The mediator does not have authority to order discovery.

Cost of Mediation: The cost of mediation shall be borne equally by both parties. Each party shall bear their own costs related to representation during the mediation process.

Recommendation: The recommendations of the mediator, if any, shall be advisory only and shall not be binding on either party. No reference to the mediation or any recommendation therefrom may be used in any subsequent proceeding.

Step IV.

The employer, its chief administrator or its special representative shall meet with the designated official of the exclusive representative, or in the appropriate case, employee(s) or their designee, within ten (10) days after receiving notice of intention to proceed with the grievance pursuant to Step II. If resolution of the grievance results, the parties shall reduce the resolution to writing and sign the memorandum as provided in Step II. If the parties are unable to reach agreement within ten (10) days after the first Step III meeting, either party may request arbitration by serving a written notice on the other party of their intention to proceed with

arbitration.

If a grievance procedure is provided by a system of civil service or other such body, the exclusive representative or employee(s) must elect either to process the grievance through this procedure or the civil service's or other such body's procedure; and in no event may a grievant avail himself/herself of both procedures.

Step V.

The employer and the employee representative shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the employer and the employee representative are unable to agree on an arbitrator, they may request from the Director of the Bureau of Mediation Services, State of Minnesota, a list of five (5) names. The list maintained by the Director of the Bureau of Mediation Services shall be made up of qualified arbitrators who have submitted an application to the Bureau. The parties shall alternately strike names from the list of five (5) arbitrators until only one (1) name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. Each party shall be responsible for equally compensating the arbitrator for his fee and necessary expenses.

The arbitrator shall not have the power to add, to subtract from or to modify in any way the terms of the existing contract.

The decision of the arbitrator shall be final and binding on all parties to the dispute unless the decision violates any provision of the laws of Minnesota or rules or regulations promulgated there under or municipal charters or ordinances or resolutions enacted pursuant thereto or which causes penalty to be incurred there under. The decision shall be issued to the parties by the arbitrator, and a copy shall be filed with the Bureau of Mediation Services, State of Minnesota.

Processing of all grievances shall be during the normal workday whenever possible, and employees shall not lose wages due to their necessary participation. For purposes of this paragraph, employees entitled to wages during their necessary participation in a grievance proceeding are as follows:

- A. The number of employees equal to the number of persons participating in the grievance proceeding on behalf of the public employer; or
- B. If the number of persons participating on behalf of the public employer is less than three (3), three (3) employees may still participate in the proceedings without loss of wages.

The parties, by mutual written agreement, may waive any step and extend any time limits in a grievance procedure. However, failure to adhere to the time limits may result in a forfeit of the grievance, or, in the case of the employer, require mandatory alleviation of the grievance as outlined in the last statement by the exclusive representative or employees.

The provision of this grievance procedure shall be severable and if any provision or paragraph

hereof or application of any such provision or paragraph under any circumstance is held invalid, it shall not affect any other provision or paragraph of this grievance procedure or the application of any provision or paragraph thereof under different circumstance.

ARTICLE 14: WORKER'S COMPENSATION

- A. When an employee is unable to work because of a compensable injury covered by Workers' Compensation, the employee may elect not to receive the difference between the employee's Workers' Compensation check and the employee's regular check until the accumulated sick leave is exhausted.
- B. The employee/designee must make the election in using sick days in writing on a form provided by the employer within five (5) days of the compensable injury. If no election is made, the employee shall receive the difference between the employee's Workers' Compensation check and the employee's regular check until the accumulated sick leave is exhausted.

ARTICLE 15: PUBLIC OBLIGATION

The parties mutually recognize that their first obligation is to the public and that the right of students and residents of the school district to the continuous and uninterrupted operation of the school is of paramount importance.

The exclusive representative agrees, therefore, that during the term of this contract neither exclusive representative nor any individual employee shall engage in any strike as defined by P.E.L.R.A. The parties agree that procedures affecting this Article are provided for by P.E.L.R.A. State law supersedes any portion of this Article.

The parties agree not to commit any unfair labor practices as described in P.E.L.R.A.

This provision shall not apply to employees who have been on a long-term leave of absence without pay for more than one (1) year at the time of retirement, but shall apply to employees on long term disability or unrequested leave at the time of retirement.
- a. Employees retiring under the guidelines set forth in this Article shall be entitled to a portion of their accumulated sick leave based upon the following formula - current rate of pay per hour X Hours worked X 80 days X .67 upon retirement. This benefit will be paid into the Minnesota Post-Retirement Healthcare Savings Plan or HSA if they have a qualifying account. The employee must submit his/her written intent to retire to the Human Resources Department by June 30th of the school year preceding their retirement date and this benefit will be based on seniority.
