Section 1002.20, Florida Statutes, states that parents may be accompanied by another adult of their choice at a meeting with school district personnel. School district personnel may not object to the attendance of such adult or discourage or attempt to discourage, through an action, statement, comment, or other means, the parents of students with disabilities from inviting someone of their choice. Prohibited actions include attempted or actual coercion or harassment, retaliation, or threats of consequence. The statute requires parents of students with disabilities and school district personnel to sign a document at the end of the meeting stating whether anyone from the district prohibited, discouraged, or attempted to discourage you from inviting a person of your choice.
