NOTIFICATION OF HEARING SCREENING FAILURE

Dear Parent,

Your child, _____ was unable to pass a hearing screening performed at school. This may indicate hearing loss or may be related to other factors; however, it is felt that your child should receive an additional evaluation of their hearing.

Audiological evaluations at Cross Bayou School (727-547-7833) are free and available to all children in Pinellas County. Once an appointment is made, it will be your responsibility to provide transportation to the testing site.

If you wish to take your child to your own physician and/or audiologist, (or have already done so) please have the response form below completed, have a copy of the findings sent to the address below, or have results FAXED to: (727) 547-7861.

Sincerely,
