EMOTIONALLY INTELLIGENT LEADERSHIP

Pathway to Educator Well-Being & Engagement

The Montgomery County Educational Service Center is proud to partner with the Yale *Center for Emotional Intelligence* to bring this premier opportunity to educational leaders across the region.

Discover how emotionally intelligent leadership can enhance your hiring processes, impact your staff well-being, inform data-driven decisions, and improve your day-to-day life.

- **Learn research-based strategies from experts at Yale University and in the field.**
- **Get access to practical assessments to monitor staff and educator well-being.**
- **Network with seasoned practitioners.**
