

**Children's Eye
Foundation of aapos**

ALL CHILDREN SEE

Did you know?
80% of all vision impairment
among children could be
PREVENTED OR CURED?

*Source: Center for Disease Control and Prevention.

ALL CHILDREN SEE CAN HELP!

Volunteer ophthalmologists provide **free
eye exams** and care to eligible children
under the age of 18.

**ACS volunteers are members of the American Association for Pediatric Ophthalmology & Strabismus
