Stock the Stations Event Announced

Help Stock Our School Clinics!

Get ready to make a difference! Buckeye Valley Local Schools (BVLS) is partnering with Neighborhood Bridges for the "Stock the Stations" event, a community-wide drive to collect essential supplies for our school nurses and clinics.

From **September 19 to October 3**, we'll be collecting donations to ensure our nurses have what they need to care for our students throughout the school year. The items you donate—from hand sanitizer to snacks for students who may have forgotten their lunch—will directly support the health and well-being of our school community.

Your generosity, no matter how small, has a huge impact. Every item helps our nurses keep our students healthy, safe, and ready to learn.

To stay updated on the drive and learn more about how Neighborhood Bridges supports our BV School community, use the QR code to subscribe.

Let's work together to make this drive a huge success!

For more information about the "Stock the Stations" drive, or Neighborhood Bridges, please contact our area directors, Jenn Necker, Marjorie Harrel & Deb Booher via email at buckeyevalley@neighborhoodbridges.org
