Date: October 6, 2025

On this date, we, the Board of Trustees of the Galena Park Independent School District convened in regular session at the regular meeting of said Board, with the following members present:

Linda Clark Sherrard	☐	☒

and with a quorum established, the Board considered and passed the following order:

IT IS HEREBY RESOLVED AND ORDERED BY THE BOARD OF TRUSTEES OF THE GALENA PARK INDEPENDENT SCHOOL DISTRICT THAT A TAX OF **\$1.24990** on each one hundred dollars valuation of taxable property in said district is hereby levied for the tax year 2025, and said total tax is hereby segregated and allocated as follows:

- a. A tax of **\$0.37431** on each one hundred dollars of valuation of taxable property in said district is hereby levied for the purpose of paying interest on and principal of the outstanding bonds of said district.
- b. A tax of **\$0.87559** on each one hundred dollars of valuation of taxable property in said district is hereby levied for the maintenance and operation of the public schools in said district.
- c. Such taxes are to be assessed and collected by the tax officials designated by the District.

The tax rate adopted herein exceeds the District's Voter-Approval Tax Rate due to increased expenditures necessary to respond to a disaster. Pursuant to Texas Tax Code § 26.042(e), an election to ratify the tax rate adopted herein is not required when the tax rate is adopted in response to a disaster in the year following the disaster. In adopting this tax rate, the Board of Trustees affirmatively finds that on July 8, 2024, Hurricane Beryl made land fall in Texas as a Category 1 hurricane and caused widespread damage in the District, that a disaster declaration was issued by

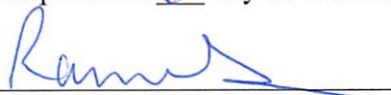

the Acting Governor of Texas due to the hurricane, that federal disaster assistance was requested, and that all requirements to adopt this tax rate pursuant to Texas Tax Code § 26.042(e) have been met.

THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE. THE TAX RATE WILL EFFECTIVELY BE RAISED BY 13.86 PERCENT AND WILL RAISE TAXES ON A \$100,000 HOME BY APPROXIMATELY \$37.99.

THE FOREGOING RESOLUTION was presented, and it was moved by Trustee Noe Esparza and seconded by Trustee Norma Hernandez that it be passed, and upon the question being called, it was passed favorably by a record vote, with at least 60 percent of the members of the Board of Trustees voting in favor of adopting the tax rate, whose votes are reflected below:
