

# OCTOBER 2025

## PTO Monthly Jabber

### PTO PRESIDENT UPDATE

This year, we need lots of helping hands to make all the fun things we have planned for our kids happen. From events like Trunk-or-Treat to fundraising to helping with making copies— it all takes **volunteers!**

The best part? Volunteering is a chance to meet other parents, be part of the school community, and show our kids how much we care. Big or small, every bit of help makes a huge difference.

We can't do it without **YOU** — so jump in where you can and let's make this year amazing! if you ever have questions, ideas, or concerns, don't be shy — reach out anytime, I'd love to hear from you!
