Mission

SGHS empowers diverse learners to be inquisitive and respectful while achieving excellence in all opportunities.

Vision

SGHS will develop a resilient, compassionate, and inclusive community that encourages preparation, integrity, and success.

Southern Guilford High School is home to a diverse student body of approximately 1,000 students in grades 9–12. Within this vibrant community, Southern Guilford Academy offers a dynamic opportunity for highly motivated students to begin pursuing future college and career goals in education, agriscience, or medical and health sciences. Students in the Academy benefit from specialized learning pathways while still enjoying the full experience of a traditional four-year high school—including extracurriculars, social connections, and academic growth.

What We Offer

- Agriscience program featuring horticulture and animal science and Veterinary Assisting certification program
- Nursing Fundamentals with CNA certification opportunity
- EMT certification program
- Sports Medicine 1 and 2
