Mission

Develop higher-order thinking skills and become leaders in their community. Students will mature into global citizens, who value equality, unity and respect for all.

Vision

Two great programs striving for excellence, ONE exceptional school.

David D. Jones Elementary is a PreK-5th grade school of approximately 600 students. Our mission is to help Jones students develop higher-order thinking skills and become leaders in their community. Students will mature into global citizens, who value equality, unity and respect for all.

What We Offer

- A traditional program known as the Neighborhood Leadership Program K-5
- Full Spanish Immersion Program K-5
- Spanish language lessons taught naturally in everyday classroom situations and through subject instruction
- A safe, supportive space where students feel respected, valued, and confident expressing themselves
- We embrace differences, promote equity, and ensure every student feels included and empowered
- Through exposure to cultures and ideas, students grow as compassionate, responsible global citizens

Points of Pride

- Our multicultural immersion education has become a model for other schools in North Carolina and across the nation
- Research proves that immersion students consistently perform very well on standardized tests, often outperforming peers in reading and math
- Teaching staff from 14 different countries and the Commonwealth of Puerto Rico
- Student demographics:
60% Black, 16% Hispanic, 18 % White, 6% Multi-Racial

Students in the Program

The purpose of our immersion program is not to replace a language, but to add a language!

- Bilingual students in English and Spanish (listeners and speakers)
- Biliterate students in English and Spanish (readers and writers)
