Mission

Provide a structured environment based on self-directed activities and hands-on learning that is tailored to meet each child's needs. We actively involve parents and the community as we nurture a desire for life-long learning.

Vision

Promote independent learning through structured and self-directed activities which develop productive citizens prepared for college and the world of work.

Erwin Montessori is a public Montessori school serving students in PreK through 5th grade. We embrace the Montessori approach and philosophy to teach students to challenge themselves when they're ready, developing greater self-sufficiency and personal independence. We place special emphasis on developing strong character and integrity in our students to build an internal sense of purpose and motivation with each student.
