Mission

Prepare students to become life-long learners, critical thinkers and productive citizens in today's global society.

Vision

Become a state-of-the-art learning institution working collaboratively with all stakeholders to promote excellence.

An Early College Academy that tracks students in 1 of 3 areas: Childhood Education, Health Science, and Engineering. Students take Honors and Advanced Placement (AP) level courses in their first three years at Dudley High School.

What We Offer

- A rigorous curriculum that aligns with students' career path
- Childhood Education Pathway – Honors Early Childhood Education I and II
- Engineering Pathway – Project Lead the Way courses (Introduction to Engineering Design, Principles of Engineering, Environmental Sustainability and Honors Engineering Design and Development)
- Health Sciences Pathway – opportunity to obtain a CNA during junior year
- Up to one full year of cost-free tuition, including fees and non-consumable books to Guilford Technical Community College (Childhood Education & Health Science) and North Carolina Agricultural and Technical State University (Engineering)

Points of Pride

- First African American High School in Guilford County School
- Oldest Academy Program in Guilford County School
- Strong Tradition of Pride
- Mister and Miss Dudley (Community Liaisons)
- 9th Grade Pinning (Cubs ▶ Panthers)
- Homecoming Parade (Welcome Alumni)
- 100% passing rate for CNA certification
- ECA students graduate with honors
- Admissions to prestigious colleges and universities
- Graduates travel the globe, pursue advanced degrees, become local leaders, doctors, lawyers, academics, musicians, artists, and successful business people

Students in the Program

- Enjoy having access to networked computer stations, a machine technology lab, and a lab complete with robotics programming stations
- Will learn critical thinking, as well as curiosity and collaboration
