Mission

A relationship-based learning community that supports all students through rigorous standards for academics, integrity, leadership, and global citizenship.

Vision

Students will graduate as globally competitive career and college ready adults.

The Early Middle College at GTCC High Point is designed for motivated students in grades 9–12 who thrive in honors-level and advanced academic settings. We proudly serve first-generation college students, underrepresented populations, and learners who flourish in a non-traditional, supportive environment. As a Cooperative Innovative High School, we provide early access to college courses through GTCC, beginning as early as freshman year, along with personalized academic support tailored to each student's goals. Located on the GTCC High Point campus, students benefit from a collegiate atmosphere and access to campus resources that prepare them for success beyond graduation.

What We Offer

- Prospective students at GTCC High Point must meet program eligibility requirements and be prepared to begin college-level coursework as early as ninth grade
- Honors level high school courses
- College courses leading to a college degree
- Non-traditional schedule, 11:00 – 5:15 p.m.
- College classes and college textbooks provided at no cost
- Access to a wide variety of GTCC degree options
- Associate Degree in Arts or Applied Science
